RULES OF GOLF

30th Edition
Effective 1 January 2004

Foreword – To the 2004 Edition of the Rules of Golf

With effect from 1st January 2004, the governance responsibilities and authority of The Royal and Ancient Golf Club of St Andrews are being transferred to R&A Rules Limited.

This book contains the Rules of Golf which will be effective worldwide from 1st January 2004. It represents the culmination of four years work by The Royal and Ancient Golf Club of St Andrews and the United States Golf Association, following consultation with other golfing bodies throughout the world.

Whilst the well established numbering has been retained and none of the changes made fundamentally affects the way the game is played, this set of Rules represents the most comprehensive revision of the Rules of Golf for twenty years. A linguistic review of the entire book has been carried out and for the first time, a definite connection has been established between the etiquette of the game and the Rules themselves. These and the other alterations of substance are summarised on pages 14 to 18.

In making all these changes, both Governing bodies have kept in mind the constant need to clarify and simplify the Rules wherever possible. Although such objectives are not easily reconciled, we believe that a fair and reasonable balance has been achieved.

Both the R&A and the USGA wish to promote respect for and adherence to the Rules and preserve the integrity of golf at all levels. We undertake to continue our close liaison to achieve these ends for the good of the game of golf.

In conclusion, we express our grateful thanks not only for the work done by our respective committees but also to all those others whose varied contributions in so many ways have made this revision possible.

How to Use the Rule Book

Understand the Words
The Rule book is written in a very precise and deliberate fashion. You should be aware of and understand the following differences in word use:

- **may** = optional
- **should** = recommendation
- **must** = instruction (and penalty if not carried out)
- **a ball** = you may substitute another ball (e.g. Rules 26, 27 or 28)
- **the ball** = you may not substitute another ball (e.g. Rules 24-2 or 25-1)

Know the Definitions
There are over sixty defined terms and these form the foundation around which the Rules of play are written. A good knowledge of the defined terms (which are italicised throughout the book) is very important to the correct application of the Rules.

Which Rule Applies?
The Contents pages may help you find the relevant Rule, alternatively, there is an Index at the back of the book.

What is the Ruling?
To answer any question on the Rules you must first establish the facts of the case. To do so, you should identify:

1. The form of play (e.g. match play or stroke play, single, foursome or four-ball?)
2. Who is involved (e.g. the player, his partner or caddie, an outside agency?)
3. Where the incident occurred (e.g. on the teeing ground, in a bunker or water hazard, on the putting green or elsewhere on the course).

In some cases it might also be necessary to establish:

4. The player’s intentions (e.g. what was he doing and what does he want to do?)
5. Any subsequent events (e.g. the player has returned his score card or the competition has closed).

Refer to the Book
It is recommended that you carry a Rule book in your golf bag and use it whenever a question arises. If in doubt, play the course as you find it and play the ball as it lies. Once back in the Clubhouse, reference to *Decisions on the Rules of Golf* should help resolve any outstanding queries.
IT'S NOT HOW FAR UP THE LEADER BOARD YOU ARE, IT'S YOUR ABILITY TO STAY THERE THAT MATTERS.

There is no longer an automatic penalty if a ball moves after a loose impediment within one club-length of the ball is touched.

THE RULES OF GOLF

SECTION I - ETIQUETTE; BEHAVIOUR ON THE COURSE

Introduction
This section provides guidelines on the manner in which the game of golf should be played. If they are followed, all players will gain maximum enjoyment from the game. The overriding principle is that consideration should be shown to others on the course at all times.

The Spirit of the Game
Unlike many sports, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

Safety
Players should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like when they make a stroke or practice swing.
Players should not play until the players in front are out of range.
Players should always alert greenstaff nearby or ahead when they are about to make a stroke that might endanger them.
If a player plays a ball in a direction where there is a danger of hitting someone, he should immediately shout a warning. The traditional word of warning in such situations is “fore”.

18
Consideration for Other Players

No Disturbance or Distraction
Players should always show consideration for other players on the course and should not disturb their play by moving, talking or making unnecessary noise.
Players should ensure that any electronic device taken onto the course does not distract other players.
On the teeing ground, a player should not tee his ball until it is his turn to play.
Players should not stand close to or directly behind the ball, or directly behind the hole, when a player is about to play.

On the Putting Green
On the putting green, players should not stand on another player’s line of putt or, when he is making a stroke, cast a shadow over his line of putt.
Players should remain on or close to the putting green until all other players in the group have holed out.

Scoring
In stroke play, a player who is acting as a marker should, if necessary, on the way to the next tee, check the score with the player concerned and record it.

Pace of Play
Play at Good Pace and Keep Up
Players should play at a good pace. The Committee may establish pace of play guidelines that all players should follow.
It is a group’s responsibility to keep up with the group in front. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

Be Ready to Play
Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green, they should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee. When the play of a hole has been completed, players should immediately leave the putting green.

Lost Ball
If a player believes his ball may be lost outside a water hazard or is out of bounds, to save time, he should play a provisional ball.
Players searching for a ball should signal the players in the group behind them to play through as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. Having allowed the group behind to play through, they should not continue play until that group has passed and is out of range.

Priority on the Course
Unless otherwise determined by the Committee, priority on the course is determined by a group’s pace of play. Any group playing a whole round is entitled to pass a group playing a shorter round.

Care of the Course
Bunkers
Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others. If a rake is within reasonable proximity of the bunker, the rake should be used for this purpose.

Repair of Divots, Ball-Marks and Damage by Shoes
Players should carefully repair any divot holes made by them and any damage to the putting green made by the impact of a ball (whether or not made by the player himself). On completion of the hole by all players in the group, damage to the putting green caused by golf shoes should be repaired.
Preventing Unnecessary Damage

Players should avoid causing damage to the course by removing divots when taking practice swings or by hitting the head of a club into the ground, whether in anger or for any other reason.

Players should ensure that no damage is done to the putting green when putting down bags or the flagstick.

In order to avoid damaging the hole, players and caddies should not stand too close to the hole and should take care during the handling of the flagstick and the removal of a ball from the hole. The head of a club should not be used to remove a ball from the hole.

Players should not lean on their clubs when on the putting green, particularly when removing the ball from the hole.

The flagstick should be properly replaced in the hole before the players leave the putting green.

Local notices regulating the movement of golf carts should be strictly observed.

Conclusion: Penalties for Breach

If players follow the guidelines in this section, it will make the game more enjoyable for everyone.

If a player consistently disregards these guidelines during a round or over a period of time to the detriment of others, it is recommended that the Committee considers taking appropriate disciplinary action against the offending player. Such action may, for example, include prohibiting play for a limited time on the course or in a certain number of competitions. This is considered to be justifiable in terms of protecting the interest of the majority of golfers who wish to play in accordance with these guidelines.

In the case of a serious breach of etiquette, the Committee may disqualify a player under Rule 33-7.

Abnormal Ground Conditions

An “abnormal ground condition” is any casual water, ground under repair or hole, cast or runway on the course made by a burrowing animal, a reptile or a bird.

Addressing the Ball

A player has “addressed the ball” when he has taken his stance and has also grounded his club, except that in a hazard a player has addressed the ball when he has taken his stance.

Advice

“Advice” is any counsel or suggestion that could influence a player in determining his play, the choice of a club or the method of making a stroke.

Information on the Rules or on matters of public information, such as the position of hazards or the flagstick on the putting green, is not advice.

Ball Deemed to Move

See “Move or Moved”.

Ball Holed

See “Holed”.

Ball Lost

See “Lost Ball”.

Ball in Play

A ball is “in play” as soon as the player has made a stroke on the teeing ground. It remains in play until it is holed, except when it is lost, out of bounds or lifted, or another ball has been substituted whether or not the substitution is permitted; a ball so substituted becomes the ball in play.
If a ball is played from outside the teeing ground when the player is starting play of a hole, or when attempting to correct this mistake, the ball is not in play and Rule 11-4 or 11-5 applies. Otherwise, ball in play includes a ball played from outside the teeing ground when the player elects or is required to play his next stroke from the teeing ground.

Exception in match play: Ball in play includes a ball played by the player from outside the teeing ground when starting play of a hole if the opponent does not require the stroke to be cancelled in accordance with Rule 11-4a.

Best-Ball
See “Matches”.

Bunker
A “bunker” is a hazard consisting of a prepared area of ground, often a hollow, from which turf or soil has been removed and replaced with sand or the like.

Grass-covered ground bordering or within a bunker including a stacked turf face (whether grass-covered or earthen), is not part of the bunker. A wall or lip of the bunker not covered with grass is part of the bunker.

The margin of a bunker extends vertically downwards, but not upwards. A ball is in a bunker when it lies in or any part of it touches the bunker.

Burrowing Animal
A “burrowing animal” is an animal that makes a hole for habitation or shelter, such as a rabbit, mole, groundhog, gopher or salamander.

Note: A hole made by a non-burrowing animal, such as a dog, is not an abnormal ground condition unless marked or declared as ground under repair.

Caddie
A “caddie” is one who assists the player in accordance with the Rules, which may include carrying or handling the player’s clubs during play.

When one caddie is employed by more than one player, he is always deemed to be the caddie of the player whose ball is involved, and equipment carried by him is deemed to be that player’s equipment, except when the caddie acts upon specific directions of another player, in which case he is considered to be that other player’s caddie.

Casual Water
“Casual water” is any temporary accumulation of water on the course that is visible before or after the player takes his stance and is not in a water hazard. Snow and natural ice, other than frost, are either casual water or loose impediments, at the option of the player. Manufactured ice is an obstruction. Dew and frost are not casual water. A ball is in casual water when it lies in or any part of it touches the casual water.

Committee
The “Committee” is the committee in charge of the competition or, if the matter does not arise in a competition, the committee in charge of the course.

Competitor
A “competitor” is a player in a stroke play competition. A “fellow-competitor” is any person with whom the competitor plays. Neither is partner of the other.

In stroke play foursome and four-ball competitions, where the context so admits, the word “competitor” or “fellow-competitor” includes his partner.

Course
The “course” is the whole area within any boundaries established by the Committee (see Rule 33-2).

Equipment
“Equipment” is anything used, worn or carried by or for the
Defs.
player except any ball he has played at the hole being played and any small object, such as a coin or a tee, when used to mark the position of a ball or the extent of an area in which a ball is to be dropped. Equipment includes a golf cart, whether or not motorised. If such a cart is shared by two or more players, the cart and everything in it are deemed to be the equipment of the player whose ball is involved except that, when the cart is being moved by one of the players sharing it, the cart and everything in it are deemed to be that player’s equipment.

Note: A ball played at the hole being played is equipment when it has been lifted and not put back into play.

Fellow-Competitor
See “Competitor”.

Flagstick
The “flagstick” is a movable straight indicator, with or without bunting or other material attached, centered in the hole to show its position. It must be circular in cross-section. Padding or shock absorbent material that might unduly influence the movement of the ball is prohibited.

Forecaddie
A “forecaddie” is one who is employed by the Committee to indicate to players the position of balls during play. He is an outside agency.

Four-Ball
See “Matches”.

Foursome
See “Matches”.

Ground Under Repair
“Ground under repair” is any part of the course so marked by order of the Committee or so declared by its authorised representative. It includes material piled for removal and a hole made by a greenkeeper, even if not so marked.

All ground and any grass, bush, tree or other growing thing within the ground under repair is part of the ground under repair. The margin of ground under repair extends vertically downwards, but not upwards. Stakes and lines defining ground under repair are in such ground. Such stakes are obstructions. A ball is in ground under repair when it lies in or any part of it touches the ground under repair.

Note 1: Grass cuttings and other material left on the course that have been abandoned and are not intended to be removed are not ground under repair unless so marked.

Note 2: The Committee may make a Local Rule prohibiting play from ground under repair or an environmentally-sensitive area defined as ground under repair.

Hazards
A “hazard” is any bunker or water hazard.

Hole
The “hole” must be 4 1⁄4 inches (108 mm) in diameter and at least 4 inches (101.6 mm) deep. If a lining is used, it must be sunk at least 1 inch (25.4 mm) below the putting green surface unless the nature of the soil makes it impracticable to do so; its outer diameter must not exceed 4 1⁄4 inches (108 mm).

Holed
A ball is “holed” when it is at rest within the circumference of the hole and all of it is below the level of the lip of the hole.

Honour
The player who is to play first from the teeing ground is said to have the “honour”.

Lateral Water Hazard
A “lateral water hazard” is a water hazard or that part of a water hazard so situated that it is not possible or is deemed by
the Committee to be impracticable to drop a ball behind the water hazard in accordance with Rule 26-1b. That part of a water hazard to be played as a lateral water hazard should be distinctively marked. A ball is in a lateral water hazard when it lies in or any part of it touches the lateral water hazard.

Note 1: Stakes or lines used to define a lateral water hazard must be red. When both stakes and lines are used to define lateral water hazards, the stakes identify the hazard and the lines define the hazard margin.

Note 2: The Committee may make a Local Rule prohibiting play from an environmentally-sensitive area defined as a lateral water hazard.

Note 3: The Committee may define a lateral water hazard as a water hazard.

Line of Play
The “line of play” is the direction that the player wishes his ball to take after a stroke, plus a reasonable distance on either side of the intended direction. The line of play extends vertically upwards from the ground, but does not extend beyond the hole.

Line of Putt
The “line of putt” is the line that the player wishes his ball to take after a stroke on the putting green. Except with respect to Rule 16-1e, the line of putt includes a reasonable distance on either side of the intended line. The line of putt does not extend beyond the hole.

Loose Impediments
“Loose impediments” are natural objects, including:
- stones, leaves, twigs, branches and the like,
- dung, and
- worms and insects and the casts and heaps made by them, provided they are not:
  - fixed or growing,
  - solidly embedded, or
  - adhering to the ball.

Sand and loose soil are loose impediments on the putting green, but not elsewhere.

Snow and natural ice, other than frost, are either casual water or loose impediments at the option of the player. Dew and frost are not loose impediments.

Lost Ball
A ball is deemed “lost” if:

a. It is not found or identified as his by the player within five minutes after the player’s side or his or their caddies have begun to search for it; or

b. The player has made a stroke at a substituted ball; or

c. The player has made a stroke at a provisional ball from the place where the original ball is likely to be or from a point nearer the hole than that place.

Time spent in playing a wrong ball is not counted in the five-minute period allowed for search.

Marker
A “marker” is one who is appointed by the Committee to record a competitor’s score in stroke play. He may be a fellow-competitor. He is not a referee.

Matches
Single: A match in which one plays against another.
Threesome: A match in which one plays against two, and each side plays one ball.
Foursome: A match in which two play against two, and each side plays one ball.
Defs.
Three-Ball: A match play competition in which three play against one another, each playing his own ball. Each player is playing two distinct matches.
Best-Ball: A match in which one plays against the better ball of two or the best ball of three players.
Four-Ball: A match in which two play their better ball against the better ball of two other players.
Move or Moved
A ball is deemed to have “moved” if it leaves its position and comes to rest in any other place.
Nearest Point of Relief
The “nearest point of relief” is the reference point for taking relief without penalty from interference by an immovable obstruction (Rule 24-2), an abnormal ground condition (Rule 25-1) or a wrong putting green (Rule 25-3).
It is the point on the course nearest to where the ball lies:
(i) that is not nearer the hole, and
(ii) where, if the ball were so positioned, no interference by the condition from which relief is sought would exist for the stroke the player would have made from the original position if the condition were not there.
Note: In order to determine the nearest point of relief accurately, the player should use the club with which he would have made his next stroke if the condition were not there to simulate the address position, direction of play and swing for such a stroke.
Observer
An “observer” is one who is appointed by the Committee to assist a referee to decide questions of fact and to report to him any breach of a Rule. An observer should not attend the flagstick, stand at or mark the position of the hole, or lift the ball or mark its position.

Obstructions
An “obstruction” is anything artificial, including the artificial surfaces and sides of roads and paths and manufactured ice, except:
a. Objects defining out of bounds, such as walls, fences, stakes and railings;
b. Any part of an immovable artificial object that is out of bounds; and
c. Any construction declared by the Committee to be an integral part of the course.
An obstruction is a movable obstruction if it may be moved without unreasonable effort, without unduly delaying play and without causing damage. Otherwise it is an immovable obstruction.
Note: The Committee may make a Local Rule declaring a movable obstruction to be an immovable obstruction.
Out of Bounds
“Out of bounds” is beyond the boundaries of the course or any part of the course so marked by the Committee.
When out of bounds is defined by reference to stakes or a fence or as being beyond stakes or a fence, the out of bounds line is determined by the nearest inside points of the stakes or fence posts at ground level excluding angled supports.
Objects defining out of bounds such as walls, fences, stakes and railings, are not obstructions and are deemed to be fixed.
When out of bounds is defined by a line on the ground, the line itself is out of bounds.
The out of bounds line extends vertically upwards and downwards.
A ball is out of bounds when all of it lies out of bounds.
A player may stand out of bounds to play a ball lying within bounds.
Outside Agency
An “outside agency” is any agency not part of the match or, in stroke play, not part of the competitor’s side, and includes a referee, a marker, an observer and a forecaddie. Neither wind nor water is an outside agency.

Partner
A “partner” is a player associated with another player on the same side.

Penalty Stroke
A “penalty stroke” is one added to the score of a player or side under certain Rules. In a threesome or foursome, penalty strokes do not affect the order of play.

Provisional Ball
A “provisional ball” is a ball played under Rule 27-2 for a ball that may be lost outside a water hazard or may be out of bounds.

Putting Green
The “putting green” is all ground of the hole being played that is specially prepared for putting or otherwise defined as such by the Committee. A ball is on the putting green when any part of it touches the putting green.

R&A
The “R&A” means R&A Rules Limited.

Referee
A “referee” is one who is appointed by the Committee to accompany players to decide questions of fact and apply the Rules. He must act on any breach of a Rule that he observes or is reported to him.

A referee should not attend the flagstick, stand at or mark the position of the hole, or lift the ball or mark its position.

Rub of the Green
A “rub of the green” occurs when a ball in motion is accidentally deflected or stopped by any outside agency (see Rule 19-1).

Rule or Rules
The term “Rule” includes:

a. The Rules of Golf and their interpretations as contained in Decisions on the Rules of Golf;
b. Any Conditions of Competition established by the Committee under Rule 33-1 and Appendix I;
c. Any Local Rules established by the Committee under Rule 33-8a and Appendix I; and
d. The specifications on clubs and the ball in Appendices II and III.

Side
A “side” is a player, or two or more players who are partners.

Single
See “Matches”.

Stance
Taking the “stance” consists in a player placing his feet in position for and preparatory to making a stroke.

Stipulated Round
The “stipulated round” consists of playing the holes of the course in their correct sequence unless otherwise authorised by the Committee. The number of holes in a stipulated round is 18 unless a smaller number is authorised by the Committee. As to extension of stipulated round in match play, see Rule 2-3.
Defs.  

Stroke  
A “stroke” is the forward movement of the club made with the intention of striking at and moving the ball, but if a player checks his downswing voluntarily before the clubhead reaches the ball he has not made a stroke.

Substituted Ball  
A “substituted ball” is a ball put into play for the original ball that was either in play, lost, out of bounds or lifted.

Tee  
A “tee” is a device designed to raise the ball off the ground. It must not be longer than 4 inches (101.6 mm) and it must not be designed or manufactured in such a way that it could indicate the line of play or influence the movement of the ball.

Teeing Ground  
The “teeing ground” is the starting place for the hole to be played. It is a rectangular area two club-lengths in depth, the front and the sides of which are defined by the outside limits of two tee-markers. A ball is outside the teeing ground when all of it lies outside the teeing ground.

Three-Ball  
See “Matches”.

Threesome  
See “Matches”.

Through the Green  
“Through the green” is the whole area of the course except:

a. The teeing ground and putting green of the hole being played; and
b. All hazards on the course.

Water Hazard  
A “water hazard” is any sea, lake, pond, river, ditch, surface drainage ditch or other open water course (whether or not containing water) and anything of a similar nature on the course.

All ground or water within the margin of a water hazard is part of the water hazard. The margin of a water hazard extends vertically upwards and downwards. Stakes and lines defining the margins of water hazards are in the hazards. Such stakes are obstructions. A ball is in a water hazard when it lies in or any part of it touches the water hazard.

Note 1: Stakes or lines used to define a water hazard must be yellow. When both stakes and lines are used to define water hazards, the stakes identify the hazard and the lines define the hazard margin.

Note 2: The Committee may make a Local Rule prohibiting play from an environmentally-sensitive area defined as a water hazard.

Wrong Ball  
A “wrong ball” is any ball other than the player’s:

• ball in play;
• provisional ball; or
• second ball played under Rule 3-3 or Rule 20-7c in stroke play;

and includes:

• another player’s ball;
• an abandoned ball; and
• the player’s original ball when it is no longer in play.

Note: Ball in play includes a ball substituted for the ball in play, whether or not the substitution is permitted.

Wrong Putting Green  
A “wrong putting green” is any putting green other than that of the hole being played. Unless otherwise prescribed by the Committee, this term includes a practice putting green or pitching green on the course.
THE GAME

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

1-1. General
The Game of Golf consists of playing a ball with a club from the teeing ground into the hole by a stroke or successive strokes in accordance with the Rules.

1-2. Exerting Influence on Ball
A player or caddie must not take any action to influence the position or the movement of a ball except in accordance with the Rules.

(Part of removal of movable obstruction – see Rule 24-1)

PENALTY FOR BREACH OF RULE 1-2:
Match play – Loss of hole; Stroke play – Two strokes.

Note: In the case of a serious breach of Rule 1-2, the Committee may impose a penalty of disqualification.

1-3. Agreement to Waive Rules
Players must not agree to exclude the operation of any Rule or to waive any penalty incurred.

PENALTY FOR BREACH OF RULE 1-3:
Match play – Disqualification of both sides;
Stroke play – Disqualification of competitors concerned.

Section III – The Rules of Play

Rule 1
The Game

Rule 2
Match Play

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

2-1. General
A match consists of one side playing against another over a stipulated round unless otherwise decreed by the Committee.

In match play the game is played by holes. Except as otherwise provided in the Rules, a hole is won by the side that holes its ball in the fewer strokes. In a handicap match the lower net score wins the hole.

The state of the match is expressed by the terms: so many “holes up” or “all square”, and so many “to play”.

A side is “dormie” when it is as many holes up as there are holes remaining to be played.

2-2. Halved Hole
A hole is halved if each side holes out in the same number of strokes.

When a player has holed out and his opponent has been left with a stroke for the half, if the player subsequently incurs a penalty, the hole is halved.

2-3. Winner of Match
A match is won when one side leads by a number of holes greater than the number remaining to be played.

(Agreeing to play out of turn in stroke play – see Rule 10-2c)
If there is a tie, the Committee may extend the stipulated round by as many holes as are required for a match to be won.

2-4. Concession of Next Stroke, Hole or Match
A player may concede his opponent's next stroke at any time provided the opponent's ball is at rest. The opponent is considered to have holed out with his next stroke and the ball may be removed by either side.
A player may concede a hole at any time prior to the start or conclusion of that hole.
A player may concede a match at any time prior to the start or conclusion of that match.
A concession may not be declined or withdrawn.

(Ball overhanging hole – see Rule 16-2)

2-5. Doubt as to Procedure; Disputes and Claims
In match play, if a doubt or dispute arises between the players, a player may make a claim. If no duly authorised representative of the Committee is available within a reasonable time, the players must continue the match without delay. The Committee may consider a claim only if the player making the claim notifies his opponent (i) that he is making a claim, (ii) of the facts of the situation and (iii) that he wants a ruling. The claim must be made before any player in the match leaves the putting green.

A later claim may not be considered by the Committee unless it is based on facts previously unknown to the player making the claim and he had been given wrong information (Rules 6-2a and 9) by an opponent.
Once the result of the match has been officially announced, a later claim may not be considered by the Committee unless it is satisfied that the opponent knew he was giving wrong information.

2-6. General Penalty
The penalty for a breach of a Rule in match play is loss of hole except when otherwise provided.
The competitor must report the facts of the situation to the Committee before returning his scorecard. If he fails to do so, he is disqualified.

b. Determination of Score for Hole
(i) If the ball that the competitor selected in advance to count has been played in accordance with the Rules, the score with that ball is the competitor's score for the hole. Otherwise, the score with the other ball counts if the Rules allow the procedure adopted for that ball.
(ii) If the competitor fails to announce in advance his decision to complete the hole with two balls, or which ball he wishes to count, the score with the original ball counts, provided it has been played in accordance with the Rules. If the original ball is not one of the balls being played, the first ball put into play counts, provided it has been played in accordance with the Rules. Otherwise, the score with the other ball counts if the Rules allow the procedure adopted for that ball.

Note 1: If a competitor plays a second ball under Rule 3-3, the strokes made after this Rule has been invoked with the ball ruled not to count and penalty strokes incurred solely by playing that ball are disregarded.

Note 2: A second ball played under Rule 3-3 is not a provisional ball under Rule 27-2.

3-4. Refusal to Comply with a Rule
If a competitor refuses to comply with a Rule affecting the rights of another competitor, he is disqualified.

3-5. General Penalty
The penalty for a breach of a Rule in stroke play is two strokes except when otherwise provided.

CLUBS AND THE BALL
The R&A reserves the right, at any time, to change the Rules relating to clubs and balls (see Appendices II and III) and make or change the interpretations relating to these Rules.

Rule 4

4-1. Form and Make of Clubs
a. General
The player's clubs must conform with this Rule and the provisions, specifications and interpretations set forth in Appendix II.

b. Wear and Alteration
A club that conforms with the Rules when new is deemed to conform after wear through normal use. Any part of a club that has been purposely altered is regarded as new and must, in its altered state, conform with the Rules.
4-2. Playing Characteristics Changed and Foreign Material

a. Playing Characteristics Changed
During a stipulated round, the playing characteristics of a club must not be purposely changed by adjustment or by any other means.

b. Foreign Material
Foreign material must not be applied to the club face for the purpose of influencing the movement of the ball.

PENALTY FOR BREACH OF RULE 4-1 or 4-2: Disqualification.

4-3. Damaged Clubs: Repair and Replacement

a. Damage in Normal Course of Play
If, during a stipulated round, a player’s club is damaged in the normal course of play, he may:
(i) use the club in its damaged state for the remainder of the stipulated round; or
(ii) without unduly delaying play, repair it or have it repaired; or
(iii) as an additional option available only if the club is unfit for play, replace the damaged club with any club. The replacement of a club must not unduly delay play and must not be made by borrowing any club selected for play by any other person playing on the course.

PENALTY FOR BREACH OF RULE 4-3a:
See Penalty Statement for Rule 4-4a or b, and c.

Note: A club is unfit for play if it is substantially damaged, e.g. the shaft is dented, significantly bent or breaks into pieces; the clubhead becomes loose, detached or significantly deformed; or the grip becomes loose. A club is not unfit for play solely because the club’s lie or loft has been altered, or the clubhead is scratched.

b. Damage Other Than in Normal Course of Play
If, during a stipulated round, a player’s club is damaged other than in the normal course of play rendering it non-conforming or changing its playing characteristics, the club must not subsequently be used or replaced during the round.

c. Damage Prior to Round
A player may use a club damaged prior to a round provided the club, in its damaged state, conforms with the Rules. Damage to a club that occurred prior to a round may be repaired during the round, provided the playing characteristics are not changed and play is not unduly delayed.

PENALTY FOR BREACH OF RULE 4-3b or c: Disqualification.

(Undue delay – see Rule 6-7)

4-4. Maximum of Fourteen Clubs

a. Selection and Addition of Clubs
The player must not start a stipulated round with more than fourteen clubs. He is limited to the clubs thus selected for that round except that, if he started with fewer than fourteen clubs, he may add any number provided his total number does not exceed fourteen.
The addition of a club or clubs must not unduly delay play (Rule 6-7) and the player must not add or borrow any club selected for play by any other person playing on the course.

b. Partners May Share Clubs
Partners may share clubs, provided that the total number of clubs carried by the partners so sharing does not exceed fourteen.
5-2. Foreign Material
Foreign material must not be applied to a ball for the purpose of changing its playing characteristics.

**PENALTY FOR BREACH OF RULE 5-1 or 5-2:**
Disqualification.

5-3. Ball Unfit for Play
A ball is unfit for play if it is visibly cut, cracked or out of shape. A ball is not unfit for play solely because mud or other materials adhere to it, its surface is scratched or scraped or its paint is damaged or discoloured.

If a player has reason to believe his ball has become unfit for play during play of the hole being played, he may lift the ball without penalty to determine whether it is unfit.

Before lifting the ball, the player must announce his intention to his opponent in match play or his marker or a fellow-competitor in stroke play and mark the position of the ball. He may then lift and examine it provided that he gives his opponent, marker or fellow-competitor an opportunity to examine the ball and observe the lifting and replacement. The ball must not be cleaned when lifted under Rule 5-3. If the player fails to comply with all or any part of this procedure, he incurs a penalty of one stroke.

If it is determined that the ball has become unfit for play during play of the hole being played, the player may substitute another ball, placing it on the spot where the original ball lay. Otherwise, the original ball must be replaced. If a player substitutes a ball when not permitted and he makes a stroke at the wrongly substituted ball, he incurs the general penalty for a breach of Rule 5-3, but there is no additional penalty under this Rule or Rule 15-1.

If a ball breaks into pieces as a result of a stroke, the stroke is cancelled and the player must play a ball without penalty as nearly as possible at the spot from which the original ball was played (see Rule 20-5).
Rule 6-3. Penalty for Breach of Rule 6-3: Disqualification.

If a player incurs the general penalty for a breach of Rule 6-3, there is no additional penalty under this Rule.

Note: If the opponent, marker or fellow-competitor wishes to dispute a claim of unfitness, he must do so before the player plays another ball.

Note: It is the player’s responsibility to know the holes at which handicap strokes are to be given or received.

6-4. Caddie
The player may be assisted by a caddie, but he is limited to only one caddie at any one time.
Penalty for breach of rule 6-4:
Match play – At the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round – Two holes.
Stroke play – Two strokes for each hole at which any breach occurred; maximum penalty per round – Four strokes.
Match or stroke play – In the event of a breach between the play of two holes, the penalty applies to the next hole.
A player having more than one caddie in breach of this Rule must immediately upon discovery that a breach has occurred ensure that he has no more than one caddie at any one time during the remainder of the stipulated round. Otherwise, the player is disqualified.
Bogey and par competitions – Penalties as in match play.
Stableford competitions – See Note 2 to Rule 32-1b.

Note: The Committee may, in the conditions of a competition (Rule 33-1), prohibit the use of caddies or restrict a player in his choice of caddie.

6-5. Ball
The responsibility for playing the proper ball rests with the player. Each player should put an identification mark on his ball.

6-6. Scoring in Stroke Play
a. Recording Scores
After each hole the marker should check the score with the competitor and record it. On completion of the round the marker must sign the score card and hand it to the competitor. If more than one marker records the scores, each must sign for the part for which he is responsible.
b. Signing and Returning Score Card
After completion of the round, the competitor should check his score for each hole and settle any doubtful points with the Committee. He must ensure that the marker or markers have signed the score card, sign the score card himself and return it to the Committee as soon as possible.

Penalty for breach of rule 6-6b:
Disqualification.
c. Alteration of Score Card
No alteration may be made on a score card after the competitor has returned it to the Committee.
d. Wrong Score for Hole
The competitor is responsible for the correctness of the score recorded for each hole on his score card. If he returns a score for any hole lower than actually taken, he is disqualified. If he returns a score for any hole higher than actually taken, the score as returned stands.

Note 1: The Committee is responsible for the addition of scores and application of the handicap recorded on the score card – see Rule 33-5.
Note 2: In four-ball stroke play, see also Rule 31-4 and -7a.

6-7. Undue Delay; Slow Play
The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player must not unduly delay play.

Penalty for breach of rule 6-7:
Match play – Loss of hole; Stroke play – Two strokes.
Bogey and par competitions – See Note 3 to Rule 32-1a.
Stableford competitions – See Note 3 to Rule 32-1b.
For subsequent offence – Disqualification.

Note 1: If the player unduly delays play between holes, he is delaying the play of the next hole and, except for bogey, par
Rule 6-51 and Stableford competitions (see Rule 32), the penalty applies to that hole.

Note 2: For the purpose of preventing slow play, the Committee may, in the conditions of a competition (Rule 33-1), establish pace of play guidelines including maximum periods of time allowed to complete a stipulated round, a hole or a stroke.

In stroke play only, the Committee may, in such a condition, modify the penalty for a breach of this Rule as follows:

First offence – One stroke;
Second offence – Two strokes.
For subsequent offence – Disqualification.

6-8. Discontinuance of Play; Resumption of Play

a. When Permitted

The player must not discontinue play unless:
(i) the Committee has suspended play;
(ii) he believes there is danger from lightning;
(iii) he is seeking a decision from the Committee on a doubtful or disputed point (see Rules 2-5 and 34-3); or
(iv) there is some other good reason such as sudden illness.

Bad weather is not of itself a good reason for discontinuing play.

If the player discontinues play without specific permission from the Committee, he must report to the Committee as soon as practicable. If he does so and the Committee considers his reason satisfactory, there is no penalty. Otherwise, the player is disqualified.

Exception in match play: Players discontinuing match play by agreement are not subject to disqualification unless by so doing the competition is delayed.

Note: Leaving the course does not of itself constitute discontinuance of play.

b. Procedure When Play Suspended by Committee

When play is suspended by the Committee, if the players in a match or group are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they have started play of a hole, they may discontinue play immediately or continue play of the hole, provided they do so without delay. If the players choose to continue play of the hole, they are permitted to discontinue play before completing it. In any case, play must be discontinued after the hole is completed.

The players must resume play when the Committee has ordered a resumption of play.

PENALTY FOR BREACH OF RULE 6-8b:
Disqualification.

Note: The Committee may provide in the conditions of a competition (Rule 33-1) that, in potentially dangerous situations, play must be discontinued immediately following a suspension of play by the Committee. If a player fails to discontinue play immediately, he is disqualified unless circumstances warrant waiving the penalty as provided in Rule 33-7.

c. Lifting Ball When Play Discontinued

When a player discontinues play of a hole under Rule 6-8a, he may lift his ball without penalty only if the Committee has suspended play or there is a good reason to lift it. Before lifting the ball the player must mark its position. If the player discontinues play and lifts his ball without specific permission from the Committee, he must, when reporting to the Committee (Rule 6-8a), report the lifting of the ball.

If the player lifts the ball without a good reason to do so, fails to mark the position of the ball before lifting it or fails to report the lifting of the ball, he incurs a penalty of one stroke.
Procedure When Play Resumed

Play must be resumed from where it was discontinued, even if resumption occurs on a subsequent day. The player must, either before or when play is resumed, proceed as follows:

(i) if the player has lifted the ball, he must, provided he was entitled to lift it under Rule 6-8c, place a ball on the spot from which the original ball was lifted. Otherwise, the original ball must be placed on the spot from which it was lifted;

(ii) if the player entitled to lift his ball under Rule 6-8c has not done so, he may lift, clean and replace the ball, or substitute a ball on the spot from which the original ball was lifted. Before lifting the ball he must mark its position; or

(iii) if the player’s ball or ball-marker is moved (including by wind or water) while play is discontinued, a ball or ball-marker must be placed on the spot from which the original ball or ball-marker was moved.

Note: If the spot where the ball is to be placed is impossible to determine, it must be estimated and the ball placed on the estimated spot. The provisions of Rule 20-3c do not apply.

*PENALTY FOR BREACH OF RULE 6-8c or d:
  Match play – Loss of hole; Stroke play – Two strokes.

*If a player incurs the general penalty for a breach of Rule 6-8d, there is no additional penalty under Rule 6-8c.

7-1. Before or Between Rounds

a. Match Play

On any day of a match play competition, a player may practise on the competition course before a round.

b. Stroke Play

Before a round or play-off on any day of a stroke play competition, a competitor must not practise on the competition course or test the surface of any putting green on the course by rolling a ball or roughening or scraping the surface.

When two or more rounds of a stroke play competition are to be played over consecutive days, a competitor must not practise between those rounds on any competition course remaining to be played, or test the surface of any putting green on such course by rolling a ball or roughening or scraping the surface.

Exception: Practice putting or chipping on or near the first teeing ground before starting a round or play-off is permitted.

PENALTY FOR BREACH OF RULE 7-1b:
Disqualification.

Note: The Committee may, in the conditions of a competition (Rule 33-1), prohibit practice on the competition course on any day of a match play competition or permit practice on the competition course or part of the course (Rule 33-2c) on any day of or between rounds of a stroke play competition.

7-2. During Round

A player must not make a practice stroke during play of a hole. Between the play of two holes a player must not make a practice stroke, except that he may practise putting or chipping on or near:

(a) the putting green of the hole last played,
(b) any practice putting green, or
(c) the teeing ground of the next hole to be played in the round,
providing a practice stroke is not made from a hazard and does not unduly delay play (Rule 6-7).

Strokes made in continuing the play of a hole, the result of which has been decided, are not practice strokes.

Exception: When play has been suspended by the Committee, a player may, prior to resumption of play, practise (a) as provided in this Rule, (b) anywhere other than on the competition course and (c) as otherwise permitted by the Committee.

PENALTY FOR BREACH OF RULE 7-2:
Match play – Loss of hole; Stroke play – Two strokes.

In the event of a breach between the play of two holes, the penalty applies to the next hole.

Note 1: A practice swing is not a practice stroke and may be taken at any place, provided the player does not breach the Rules.

Note 2: The Committee may, in the conditions of a competition (Rule 33-1), prohibit:
(a) practice on or near the putting green of the hole last played, and
(b) rolling a ball on the putting green of the hole last played.

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

Note: The Committee may, in the conditions of a team competition (Rule 33-1), permit each team to appoint one person who may give advice (including pointing out a line for putting) to members of that team. The Committee may establish conditions relating to the appointment and permitted conduct of that person, who must be identified to the Committee before giving advice.
Information as to Strokes Taken

Definitions
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

9-1. General
The number of *strokes* a player has taken includes any *penalty strokes* incurred.

9-2. Match Play
a. Information as to Strokes Taken
An opponent is entitled to ascertain from the player, during the play of a hole, the number of *strokes* he has taken and, after play of a hole, the number of *strokes* taken on the hole just completed.

b. Wrong Information
A player must not give wrong information to his opponent. If a player gives wrong information, he loses the hole. A player is deemed to have given wrong information if he:

(i) fails to inform his opponent as soon as practicable that he has incurred a penalty, unless (a) he was obviously proceeding under a *Rule* involving a penalty and this was observed by his opponent, or (b) he corrects the mistake before his opponent makes his next *stroke*; or

(ii) gives incorrect information during play of a hole regarding the number of *strokes* taken and does not correct the mistake before his opponent makes his next *stroke*; or

(iii) gives incorrect information regarding the number of *strokes* taken to complete a hole and this affects the opponent's understanding of the result of the hole, unless he corrects the mistake before any player makes a *stroke* from the next *teeing ground* or, in the case of the last hole of the match, before all players leave the *putting green*.

A player has given wrong information even if it is due to the failure to include a penalty that he did not know he had incurred. It is the player's responsibility to know the *Rules*.

9-3. Stroke Play
A competitor who has incurred a penalty should inform his *marker* as soon as practicable.

ORDER OF PLAY

Definitions
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

10-1. Match Play
a. When Starting Play of Hole
The *side* that has the *honour* at the first *teeing ground* is determined by the order of the draw. In the absence of a draw, the *honour* should be decided by lot.

The *side* that wins a hole takes the *honour* at the next *teeing ground*. If a hole has been halved, the *side* that had the *honour* at the previous *teeing ground* retains it.

b. During Play of Hole
After both players have started play of the hole, the ball farther from the *hole* is played first. If the balls are equidistant from the *hole* or their positions relative to the *hole* are not determinable, the ball to be played first should be decided by lot.

**Exception:** Rule 30-3c (*best-ball* and *four-ball* match play).

**Note:** When the original ball is not to be played as it lies and the player is required to play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5), the order of play is determined by the spot from which
the previous stroke was made. When a ball may be played from a spot other than where the previous stroke was made, the order of play is determined by the position where the original ball came to rest.

c. Playing Out of Turn
If a player plays when his opponent should have played, there is no penalty, but the opponent may immediately require the player to cancel the stroke so made and, in correct order, play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5).

10-2. Stroke Play

a. When Starting Play of Hole
The competitor who has the honour at the first teeing ground is determined by the order of the draw. In the absence of a draw, the honour should be decided by lot.

The competitor with the lowest score at a hole takes the honour at the next teeing ground. The competitor with the second lowest score plays next and so on. If two or more competitors have the same score at a hole, they play from the next teeing ground in the same order as at the previous teeing ground.

b. During Play of Hole
After the competitors have started play of the hole, the ball farthest from the hole is played first. If two or more balls are equidistant from the hole or their positions relative to the hole are not determinable, the ball to be played first should be decided by lot.

Exceptions: Rules 22 (ball assisting or interfering with play) and 31-5 (four-ball stroke play).

Note: When the original ball is not to be played as it lies and the player is required to play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5), the order of play is determined by the spot from which the previous stroke was made. When a ball may be played from a spot other than where the previous stroke was made, the order of play is determined by the position where the original ball came to rest.

c. Playing Out of Turn
If a competitor plays out of turn, there is no penalty and the ball is played as it lies. If, however, the Committee determines that competitors have agreed to play out of turn to give one of them an advantage, they are disqualified.

(Making stroke while another ball in motion after stroke from putting green – see Rule 16-1f)
(Incorrect order of play in threesomes and foursomes stroke play – see Rule 29-3)

10-3. Provisional Ball or Second Ball from Teeing Ground
If a player plays a provisional ball or a second ball from a teeing ground, he must do so after his opponent or fellow-competitor has played his first stroke. If a player plays a provisional ball or a second ball out of turn, Rule 10-1c or -2c applies.

TEEING GROUND

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

11-1. Teeing
When the player’s ball is to be teed within the teeing ground, it must be placed on:

- the surface of the teeing ground, including an irregularity of surface (whether or not created by the player), or
Rule 11

• a tee placed in or on the surface of the teeing ground, or
• sand or other natural substance placed on the surface of the teeing ground.

A player may stand outside the teeing ground to play a ball within it.

In teeing, if a player uses a non-conforming tee or any other object to raise the ball off the ground, he is disqualified.

11-2. Tee-Markers

Before a player makes his first stroke with any ball on the teeing ground of the hole being played, the tee-markers are deemed to be fixed. In these circumstances, if the player moves or allows to be moved a tee-marker for the purpose of avoiding interference with his stance, the area of his intended swing or his line of play, he incurs the penalty for a breach of Rule 13-2.

11-3. Ball Falling off Tee

If a ball, when not in play, falls off a tee or is knocked off a tee by the player in addressing it, it may be re-tee’d without penalty. However, if a stroke is made at the ball in these circumstances, whether the ball is moving or not, the stroke counts but there is no penalty.

11-4. Playing from Outside Teeing Ground

a. Match Play

If a player, when starting a hole, plays a ball from outside the teeing ground there is no penalty, but the opponent may immediately require the player to cancel the stroke and play a ball from within the teeing ground.

b. Stroke Play

If a competitor, when starting a hole, plays a ball from outside the teeing ground, he incurs a penalty of two strokes and must then play a ball from within the teeing ground.

If the competitor plays a stroke from the next teeing ground without first correcting his mistake or, in the case of the last hole of the round, leaves the putting green without first declaring his intention to correct his mistake, he is disqualified. The stroke from outside the teeing ground and any subsequent strokes by the competitor on the hole prior to his correction of the mistake do not count in his score.

11-5. Playing from Wrong Teeing Ground

The provisions of Rule 11-4 apply.

PLAYING THE BALL

Definitions

All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

12-1. Searching for Ball; Seeing Ball

In searching for his ball anywhere on the course, the player may touch or bend long grass, rushes, bushes, whins, heather or the like, but only to the extent necessary to find and identify it, provided that this does not improve the lie of the ball, the area of his intended stance or swing or his line of play.

A player is not necessarily entitled to see his ball when making a stroke.

In a hazard, if a ball is believed to be covered by loose impediments or sand, the player may remove by probing or raking with a club or otherwise, as many loose impediments or as much sand as will enable him to see a part of the ball. If an excess is removed, there is no penalty and the ball must be recovered so that only a part of it is visible. If the ball is moved during the removal, there is no penalty; the ball must be
Rule 12
replaced and, if necessary, re-covered. As to removal of loose impediments outside a hazard, see Rule 23.

If a ball lying in an abnormal ground condition is accidentally moved during search, there is no penalty; the ball must be replaced, unless the player elects to proceed under Rule 25-1b. If the player replaces the ball, he may still proceed under Rule 25-1b if applicable.

If a ball is believed to be lying in water in a water hazard, the player may probe for it with a club or otherwise. If the ball is moved in probing, it must be replaced, unless the player elects to proceed under Rule 26-1. There is no penalty for causing the ball to move provided the movement of the ball was directly attributable to the specific act of probing. Otherwise, the player incurs a penalty stroke under Rule 18-2a.

PENALTY FOR BREACH OF RULE 12-1:
Match play – Loss of hole; Stroke play – Two strokes.

12-2. Identifying Ball
The responsibility for playing the proper ball rests with the player. Each player should put an identification mark on his ball.

Except in a hazard, if a player has reason to believe a ball is his, he may lift the ball without penalty to identify it.

Before lifting the ball, the player must announce his intention to his opponent in match play or his marker or a fellow-competitor in stroke play and mark the position of the ball. He may then lift the ball and identify it provided that he gives his opponent, marker or fellow-competitor an opportunity to observe the lifting and replacement. The ball must not be cleaned beyond the extent necessary for identification when lifted under Rule 12-2. If the player fails to comply with all or any part of this procedure, or if he lifts his ball for identification in a hazard, he incurs a penalty of one stroke.

If the lifted ball is the player’s ball he must replace it. If he fails to do so, he incurs the general penalty for a breach of Rule 12-2, but there is no additional penalty under this Rule.

*PENALTY FOR BREACH OF RULE 12-2:
Match play – Loss of hole; Stroke play – Two strokes.
*If a player incurs the general penalty for a breach of Rule 12-2, there is no additional penalty under this Rule.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

13-1. General
The ball must be played as it lies, except as otherwise provided in the Rules.

(Ball at rest moved – see Rule 18)

13-2. Improving Lie, Area of Intended Stance or Swing, or Line of Play
A player must not improve or allow to be improved:
• the position or lie of his ball,
• the area of his intended stance or swing,
• his line of play or a reasonable extension of that line beyond the hole, or
• the area in which he is to drop or place a ball, by any of the following actions:
  • moving, bending or breaking anything growing or fixed (including immovable obstructions and objects defining out of bounds),
  • creating or eliminating irregularities of surface,
• removing or pressing down sand, loose soil, replaced divots or other cut turf placed in position, or
• removing dew, frost or water.
However, the player incurs no penalty if the action occurs:
• in fairly taking his stance,
• in making a stroke or the backward movement of his club for a stroke and the stroke is made,
• on the teeing ground in creating or eliminating irregularities of surface (Rule 11-1), or
• on the putting green in removing sand and loose soil or in repairing damage (Rule 16-1).
The club may be grounded only lightly and must not be pressed on the ground.
Exception: Ball in hazard – see Rule 13-4.

13-3. Building Stance
A player is entitled to place his feet firmly in taking his stance, but he must not build a stance.

13-4. Ball in Hazard; Prohibited Actions
Except as provided in the Rules, before making a stroke at a ball that is in a hazard (whether a bunker or a water hazard) or that, having been lifted from a hazard, may be dropped or placed in the hazard, the player must not:

a. Test the condition of the hazard or any similar hazard;
b. Touch the ground in the hazard or water in the water hazard with his hand or a club; or
c. Touch or move a loose impediment lying in or touching the hazard.

Exceptions:
1. Provided nothing is done that constitutes testing the condition of the hazard or improves the lie of the ball, there is no penalty if the player (a) touches the ground in any hazard or water in a water hazard as a result of or to prevent falling in removing an obstruction, in measuring or in retrieving, lifting, placing or replacing a ball under any Rule or (b) places his clubs in a hazard.

2. After making the stroke, the player or his caddie may smooth sand or soil in the hazard, provided that, if the ball is still in the hazard or has been lifted from the hazard and may be dropped or placed in the hazard, nothing is done that improves the lie of the ball or assists the player in his subsequent play of the hole.

Note: At any time, including at address or in the backward movement for the stroke, the player may touch with a club or otherwise any obstruction, any construction declared by the Committee to be an integral part of the course or any grass, bush, tree or other growing thing.

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

(Searching for ball – see Rule 12-1)
(Repair for ball in water hazard – see Rule 26)
14-1. Accept Physical Assistance or Protection

a. accept physical assistance or protection from the elements; or
b. allow his caddie, his partner or his partner’s caddie to position himself on or close to an extension of the line of play or the line of putt behind the ball.

Penalty for Breach of Rule 14-1 or 14-2: Match play – Loss of hole; Stroke play – Two strokes.

14-3. Artificial Devices and Unusual Equipment

The R&A reserves the right, at any time, to change the Rules relating to artificial devices and unusual equipment and make or change the interpretations relating to these Rules.

A player in doubt as to whether use of an item would constitute a breach of Rule 14-3 should consult the R&A.

A manufacturer may submit to the R&A a sample of an item to be manufactured for a ruling as to whether its use during a stipulated round would cause a player to be in breach of Rule 14-3. The sample becomes the property of the R&A for reference purposes. If a manufacturer fails to submit a sample before manufacturing and/or marketing the item, the manufacturer assumes the risk of a ruling that use of the item would be contrary to the Rules.

Except as provided in the Rules, during a stipulated round the player must not use any artificial device or unusual equipment:

a. That might assist him in making a stroke or in his play; or
b. For the purpose of gauging or measuring distance or conditions that might affect his play; or
c. That might assist him in gripping the club, except that:
   (i) plain gloves may be worn;
   (ii) resin, powder and drying or moisturising agents may be used; and
   (iii) a towel or handkerchief may be wrapped around the grip.

Penalty for Breach of Rule 14-3: Disqualification.

14-4. Striking the Ball More than Once

If a player’s club strikes the ball more than once in the course of a stroke, the player must count the stroke and add a penalty stroke, making two strokes in all.

14-5. Playing Moving Ball

A player must not make a stroke at his ball while it is moving.

Exceptions:
- Ball falling off tee – Rule 11-3
- Striking the ball more than once – Rule 14-4
- Ball moving in water – Rule 14-6

When the ball begins to move only after the player has begun the stroke or the backward movement of his club for the stroke, he incurs no penalty under this Rule for playing a moving ball, but he is not exempt from any penalty under the following Rules:
- Ball at rest moved by player – Rule 18-2a
- Ball at rest moving after address – Rule 18-2b
  (Ball purposely deflected or stopped by player, partner or caddie – see Rule 1-2)

14-6. Ball Moving in Water

When a ball is moving in water in a water hazard, the player may, without penalty, make a stroke, but he must not delay making his stroke in order to allow the wind or current to improve the position of the ball. A ball moving in water in a water hazard may be lifted if the player elects to invoke Rule 26.

Penalty for Breach of Rule 14-5 or 14-6: Match play – Loss of hole; Stroke play – Two strokes.
Definitions
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

15-1. General
A player must hole out with the ball played from the *teeing ground* unless the ball is *lost*, *out of bounds* or the player *substitutes* another ball, whether or not substitution is permitted (see Rule 15-2). If a player plays a *wrong ball*, see Rule 15-3.

15-2. Substituted Ball
A player may *substitute* a ball when proceeding under a *Rule* that permits the player to play, drop or place another ball in completing the play of a hole. The *substituted ball* becomes the *ball in play*.

If a player *substitutes* a ball when not permitted to do so under the *Rules*, that *substituted ball* is not a *wrong ball*; it becomes the *ball in play*. If the mistake is not corrected as provided in Rule 20-6 and the player makes a *stroke* at a wrongly *substituted ball*, he incurs the penalty prescribed by the applicable *Rule* and, in stroke play, must play out the hole with the *substituted ball*.

(Playing from Wrong Place – see Rule 20-7)

15-3. Wrong Ball
a. Match Play
If a player makes a *stroke* at a *wrong ball* that is not in a *hazard*, he *loses the hole*.

There is no penalty if a player makes a *stroke* at a *wrong ball* in a *hazard*. Any *strokes* made at a *wrong ball* in a *hazard* do not count in the player’s score.

If the *wrong ball* belongs to another player, its owner must place a ball on the spot from which the *wrong ball* was first played.

If the player and opponent exchange balls during the play of a hole, the first to make a *stroke* at a *wrong ball* that is not in a *hazard, loses the hole*; when this cannot be determined, the hole must be played out with the balls exchanged.

b. Stroke Play
If a *competitor* makes a *stroke* or *strokes* at a *wrong ball* that is not in a *hazard*, he incurs a penalty of two *strokes*.

There is no penalty if a *competitor* makes a *stroke* at a *wrong ball* in a *hazard*. Any *strokes* made at a *wrong ball* in a *hazard* do not count in the *competitor’s score*.

The *competitor* must correct his mistake by playing the correct ball or by proceeding under the *Rules*. If he fails to correct his mistake before making a *stroke* on the next *teeing ground* or, in the case of the last hole of the round, fails to declare his intention to correct his mistake before leaving the *putting green*, he is disqualified.

*Strokes* made by a *competitor* with a *wrong ball* do not count in his score.

If the *wrong ball* belongs to another *competitor*, its owner must place a ball on the spot from which the *wrong ball* was first played.

(Lie of ball to be placed or replaced altered – see Rule 20-3b)
(Spot not determinable – see Rule 20-3c)
Rule 16

THE PUTTING GREEN

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

16-1. General
a. Touching Line of Putt
The line of putt must not be touched except:
(i) the player may remove loose impediments, provided he does not press anything down;
(ii) the player may place the club in front of the ball when addressing it, provided he does not press anything down;
(iii) in measuring – Rule 18-6;
(iv) in lifting the ball – Rule 16-1b;
(v) in pressing down a ball-marker;
(vi) in repairing old hole plugs or ball marks on the putting green – Rule 16-1c; and
(vii) in removing movable obstructions – Rule 24-1

b. Lifting and Cleaning Ball
A ball on the putting green may be lifted and, if desired, cleaned. The position of the ball must be marked before it is lifted and the ball must be replaced (see Rule 20-1).

c. Repair of Hole Plugs, Ball Marks and Other Damage
The player may repair an old hole plug or damage to the putting green caused by the impact of a ball, whether or not the player’s ball lies on the putting green. If a ball or ball-marker is accidentally moved in the process of the repair, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball is directly attributable to the specific act of repairing an old hole plug or damage to the putting green caused by the impact of a ball. Otherwise, the player incurs a penalty stroke under Rule 18-2a.

Any other damage to the putting green must not be repaired if it might assist the player in his subsequent play of the hole.

d. Testing Surface
During the play of a hole, a player must not test the surface of the putting green by rolling a ball or roughening or scraping the surface.

e. Standing Astride or on Line of Putt
The player must not make a stroke on the putting green from a stance astride, or with either foot touching, the line of putt or an extension of that line behind the ball.

f. Making Stroke While Another Ball in Motion
The player must not make a stroke while another ball is in motion after a stroke from the putting green, except that, if a player does so, there is no penalty if it was his turn to play. (Lifting ball assisting or interfering with play while another ball in motion – see Rule 22)

Penalty for Breach of Rule 16-1:
Match play – Loss of hole; Stroke play – Two strokes.

(Position of caddie or partner – see Rule 14-2)
(Wrong putting green – see Rule 25-3)

16-2. Ball Overhanging Hole
When any part of the ball overhangs the lip of the hole, the player is allowed enough time to reach the hole without unreasonable delay and an additional ten seconds to determine whether the ball is at rest. If by then the ball has not fallen into
the hole, it is deemed to be at rest. If the ball subsequently falls into the hole, the player is deemed to have holed out with his last stroke, and must add a penalty stroke to his score for the hole; otherwise, there is no penalty under this Rule.

(Undue delay – see Rule 6-7)

**Rule 17**

**The Flagstick**

**Definitions**
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**17-1. Flagstick Attended, Removed or Held Up**
Before making a stroke from anywhere on the course, the player may have the flagstick attended, removed or held up to indicate the position of the hole.

If the flagstick is not attended, removed or held up before the player makes a stroke, it must not be attended, removed or held up during the stroke or while the player's ball is in motion if doing so might influence the movement of the ball.

**Note 1:** If the flagstick is in the hole and anyone stands near it while a stroke is being made, he is deemed to be attending the flagstick.

**Note 2:** If, prior to the stroke, the flagstick is attended, removed or held up by anyone with the player's knowledge and he makes no objection, the player is deemed to have authorised it.

**Note 3:** If anyone attends or holds up the flagstick while a stroke is being made, he is deemed to be attending the flagstick until the ball comes to rest.

**17-2. Unauthorised Attendance**
If an opponent or his caddie in match play or a fellow-competitor or his caddie in stroke play, without the player's authority or prior knowledge, attends, removes or holds up the flagstick during the stroke or while the ball is in motion, and the act might influence the movement of the ball, the opponent or fellow-competitor incurs the applicable penalty.

*PENALTY FOR BREACH OF RULE 17-1 or 17-2:
Match play – Loss of hole; Stroke play – Two strokes.

In stroke play, if a breach of Rule 17-2 occurs and the competitor's ball subsequently strikes the flagstick, the person attending or holding it or anything carried by him, the competitor incurs no penalty. The ball is played as it lies except that, if the stroke was made on the putting green, the stroke is cancelled and the ball must be replaced and replayed.

**17-3. Ball Striking Flagstick or Attendant**
The player's ball must not strike:

a. The flagstick when it is being attended, removed or held up;

b. The person attending or holding up the flagstick; or

c. The flagstick in the hole, unattended, when the stroke has been made on the putting green.

**Exception:** When the flagstick is attended, removed or held up without the player's authority – see Rule 17-2.

*PENALTY FOR BREACH OF RULE 17-3:
Match play – Loss of hole; Stroke play – Two strokes and the ball must be played as it lies.

**17-4. Ball Resting Against Flagstick**
When the flagstick is in the hole and a player's ball when not holed rests against it, the player or another person authorised by him may move or remove the flagstick and if the ball falls into the hole, the player is deemed to have holed out with his last stroke; otherwise, the ball, if moved, must be placed on the lip of the hole, without penalty.
BALL MOVED, DEFLECTED OR STOPPED

Rule 18

Ball at Rest Moved

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

18-1. By Outside Agency
If a ball at rest is moved by an outside agency, there is no penalty and the ball must be replaced.

(1) Player’s ball at rest moved by another ball – see Rule 18-5

18-2. By Player, Partner, Caddie or Equipment

a. General
When a player’s ball is in play, if:
(i) the player, his partner or either of their caddies lifts or moves it, touches it purposely (except with a club in the act of addressing it) or causes it to move except as permitted by a Rule, or
(ii) equipment of the player or his partner causes the ball to move,

the player incurs a penalty of one stroke. If the ball is moved, it must be replaced.

Under the Rules there is no penalty if a player accidentally causes his ball to move in the following circumstances:
• In searching for a ball in a hazard covered by loose impediments or sand, for a ball in an abnormal ground condition or for a ball believed to be in water in a water hazard – Rule 12-1
• In repairing a hole plug or ball mark – Rule 16-1c

b. Ball Moving After Address
If a player’s ball in play moves after he has addressed it (other than as a result of a stroke), the player is deemed to have moved the ball and incurs a penalty of one stroke. The ball must be replaced unless the movement of the ball occurs after the player has begun the stroke or the backward movement of the club for the stroke is made.

18-3. By Opponent, Caddie or Equipment in Match Play

a. During Search
If, during search for a player’s ball, an opponent, his caddie or his equipment moves the ball, touches it or causes it to move, there is no penalty. If the ball is moved, it must be replaced.

b. Other Than During Search
If, other than during search for a player’s ball, an opponent, his caddie or his equipment moves the ball, touches it purposely or causes it to move, except as otherwise provided in the Rules, the opponent incurs a penalty of one stroke. If the ball is moved, it must be replaced.

(Playing a wrong ball – see Rule 15-3)
(Ball moved in measuring – see Rule 18-6)

18-4. By Fellow-Competitor, Caddie or Equipment in Stroke Play
If a fellow-competitor, his caddie or his equipment moves the player’s ball, touches it or causes it to move, there is no penalty.
If the ball is moved, it must be replaced.
(Playing a wrong ball – see Rule 15-3)

18-5. By Another Ball
If a ball in play and at rest is moved by another ball in motion after a stroke, the moved ball must be replaced.

18-6. Ball Moved in Measuring
If a ball or ball-marker is moved in measuring while proceeding under or in determining the application of a Rule, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball or ball-marker is directly attributable to the specific act of measuring. Otherwise, the provisions of Rules 18-2a, 18-3b or 18-4 apply.

*PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

If a player who is required to replace a ball fails to do so, he incurs the general penalty for breach of Rule 18. There is no additional penalty under Rule 18, except in the case of a wrongly substituted ball (Rule 15-2).

Note 1: If a ball to be replaced under this Rule is not immediately recoverable, another ball may be substituted.

Note 2: If the original lie of a ball to be placed or replaced has been altered, see Rule 20-3b.

Note 3: If it is impossible to determine the spot on which a ball is to be placed, see Rule 20-3c.

19-1. By Outside Agency
If a ball in motion is accidentally deflected or stopped by any outside agency, it is a rub of the green, there is no penalty and the ball must be played as it lies except:

a. If a ball in motion after a stroke other than on the putting green comes to rest in or on any moving or animate outside agency, the player must, through the green or in a hazard, drop the ball, or on the putting green place the ball, as near as possible to the spot where the outside agency was when the ball came to rest in or on it, and

b. If a ball in motion after a stroke on the putting green is deflected or stopped by, or comes to rest in or on, any moving or animate outside agency except a worm or an insect, the stroke is cancelled. The ball must be replaced and the stroke replayed.

If the ball is not immediately recoverable, another ball may be substituted.

If a player’s ball has been purposely deflected or stopped by an outside agency, Rule 1-4 applies to the player. If the outside agency is a fellow-competitor or his caddie, Rule 1-2 applies to the fellow-competitor.

19-2. By Player, Partner, Caddie or Equipment
a. Match Play
If a player’s ball is accidentally deflected or stopped by himself, his partner or either of their caddies or equipment, he loses the hole.

b. Stroke Play
If a competitor’s ball is accidentally deflected or stopped by himself, his partner or either of their caddies or equipment, the
competitor incurs a penalty of two strokes. The ball must be played as it lies, except when it comes to rest in or on the competitor’s, his partner’s or either of their caddies’ clothes or equipment, in which case the competitor must through the green or in a hazard drop the ball, or on the putting green place the ball, as near as possible to where the article was when the ball came to rest in or on it.

Exception: Dropped ball – see Rule 20-2a.
(Ball purposely deflected or stopped by player, partner or caddie – see Rule 1-2)

19-3. By Opponent, Caddie or Equipment in Match Play
If a player’s ball is accidentally deflected or stopped by an opponent, his caddie or his equipment, there is no penalty. The player may, before another stroke is made by either side, cancel the stroke and play a ball without penalty as nearly as possible at the spot from which the original ball was last played (see Rule 20-5) or he may play the ball as it lies. However, if the player elects not to cancel the stroke and the ball has come to rest in or on the opponent’s or his caddie’s clothes or equipment, the player must through the green or in a hazard drop the ball, or on the putting green place the ball, as near as possible to where the article was when the ball came to rest in or on it.

Exception: Ball striking person attending flagstick – see Rule 17-3b.
(Ball purposely deflected or stopped by opponent or caddie – see Rule 1-2)

19-4. By Fellow-Competitor, Caddie or Equipment in Stroke Play
See Rule 19-1 regarding ball deflected by outside agency.

a. At Rest
If a player’s ball in motion after a stroke is deflected or stopped by a ball in play and at rest, the player must play his ball as it lies. In match play, there is no penalty. In stroke play, there is no penalty unless both balls lay on the putting green prior to the stroke, in which case the player incurs a penalty of two strokes.

b. In Motion
If a player’s ball in motion after a stroke is deflected or stopped by another ball in motion after a stroke, the player must play his ball as it lies. There is no penalty unless the player was in breach of Rule 16-1f, in which case he incurs the penalty for breach of that Rule.

Exception: If the player’s ball is in motion after a stroke on the putting green and the other ball in motion is an outside agency – see Rule 19-1b.

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

RECOVERY SITUATIONS AND PROCEDURE

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

20-1. Lifting and Marking
A ball to be lifted under the Rules may be lifted by the player, his partner or another person authorised by the player. In any such case, the player is responsible for any breach of the Rules.
Rule 20

The position of the ball must be marked before it is lifted under a Rule that requires it to be replaced. If it is not marked, the player incurs a penalty of one stroke and the ball must be replaced. If it is not replaced, the player incurs the general penalty for breach of this Rule but there is no additional penalty under Rule 20-1.

If a ball or ball-marker is accidentally moved in the process of lifting the ball under a Rule or marking its position, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball or ball-marker is directly attributable to the specific act of marking the position of or lifting the ball. Otherwise, the player incurs a penalty of one stroke under this Rule or Rule 18-2a.

Exception: If a player incurs a penalty for failing to act in accordance with Rule 5-3 or 12-2, there is no additional penalty under Rule 20-1.

Note: The position of a ball to be lifted should be marked by placing a ball-marker, a small coin or other similar object immediately behind the ball. If the ball-marker interferes with the play, stance or stroke of another player, it should be placed one or more clubhead-lengths to one side.

20-2. Dropping and Re-Dropping

a. By Whom and How

A ball to be dropped under the Rules must be dropped by the player himself. He must stand erect, hold the ball at shoulder height and arm's length and drop it. If a ball is dropped by any other person or in any other manner and the error is not corrected as provided in Rule 20-6, the player incurs a penalty of one stroke.

If the ball touches the player, his partner, either of their caddies or their equipment before or after it strikes a part of the course, the ball must be re-dropped, without penalty. There is no limit to the number of times a ball must be re-dropped in these circumstances.

(Taking action to influence position or movement of ball – see Rule 1-2)

b. Where to Drop

When a ball is to be dropped as near as possible to a specific spot, it must be dropped not nearer the hole than the specific spot which, if it is not precisely known to the player, must be estimated.

A ball when dropped must first strike a part of the course where the applicable Rule requires it to be dropped. If it is not so dropped, Rules 20-6 and -7 apply.

c. When to Re-Drop

A dropped ball must be re-dropped without penalty if it:

(i) rolls into and comes to rest in a hazard;
(ii) rolls out of and comes to rest outside a hazard;
(iii) rolls onto and comes to rest on a putting green;
(iv) rolls and comes to rest out of bounds;
(v) rolls to and comes to rest in a position where there is interference by the condition from which relief was taken under Rule 24-2b (immovable obstruction), Rule 25-1 (abnormal ground conditions), Rule 25-3 (wrong putting green) or a Local Rule (Rule 33-8a), or rolls back into the pitch-mark from which it was lifted under Rule 25-2 (embedded ball);
(vi) rolls and comes to rest more than two club-lengths from where it first struck a part of the course, or
(vii) rolls and comes to rest nearer the hole than:

(a) its original position or estimated position (see Rule 20-2b) unless otherwise permitted by the Rules; or
(b) the nearest point of relief or maximum available relief (Rule 24-2, 25-1 or 25-3); or
(c) the point where the original ball last crossed the margin of the water hazard or lateral water hazard (Rule 26-1).

If the ball when re-dropped rolls into any position listed above, it must be placed as near as possible to the spot where it first struck a part of the course when re-dropped.

If a ball to be re-dropped or placed under this Rule is not immediately recoverable, another ball may be substituted.

Note: If a ball when dropped or re-dropped comes to rest and subsequently moves, the ball must be played as it lies, unless the provisions of any other Rule apply.

20-3. Placing and Replacing

a. By Whom and Where

A ball to be placed under the Rules must be placed by the player or his partner. If a ball is to be replaced, the player, his partner or the person who lifted or moved it must place it on the spot from which it was lifted or moved. In any such case, the player is responsible for any breach of the Rules.

If a ball or ball-marker is accidentally moved in the process of placing or replacing the ball, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball or ball-marker is directly attributable to the specific act of placing or replacing the ball or removing the ball-marker. Otherwise, the player incurs a penalty stroke under Rule 18-2a or 20-1.

b. Lie of Ball to be Placed or Replaced Altered

If the original lie of a ball to be placed or replaced has been altered:

(i) except in a hazard, the ball must be placed in the nearest lie most similar to the original lie that is not more than one club-length from the original lie, not nearer the hole and not in a hazard;

(ii) in a water hazard, the ball must be placed in accordance with Clause (i) above, except that the ball must be placed in the water hazard;

(iii) in a bunker, the original lie must be re-created as nearly as possible and the ball must be placed in that lie.

c. Spot Not Determinable

If it is impossible to determine the spot where the ball is to be placed or replaced:

(i) through the green, the ball must be dropped as near as possible to the place where it lay but not in a hazard or on a putting green;

(ii) in a hazard, the ball must be dropped in the hazard as near as possible to the place where it lay;

(iii) on the putting green, the ball must be placed as near as possible to the place where it lay but not in a hazard.

Exception: When resuming play (Rule 6-8d), if the spot where the ball is to be placed is impossible to determine, it must be estimated and the ball placed on the estimated spot.

d. Ball Fails to Come to Rest on Spot

If a ball when placed fails to come to rest on the spot on which it was placed, there is no penalty and the ball must be replaced. If it still fails to come to rest on that spot:

(i) except in a hazard, it must be placed at the nearest spot where it can be placed at rest that is not nearer the hole and not in a hazard;

(ii) in a hazard, it must be placed in the hazard at the nearest spot where it can be placed at rest that is not nearer the hole.

If a ball when placed comes to rest on the spot on which it is placed, and it subsequently moves, there is no penalty and the ball must be placed as it lies, unless the provisions of any other Rule apply.
PENALTY FOR BREACH OF RULE 20-1, 20-2 or 20-3:
Match play – Loss of hole; Stroke play – Two strokes.

20-4. When Ball Dropped or Placed is in Play
If the player’s ball in play has been lifted, it is again in play when dropped or placed.
A substituted ball becomes the ball in play when it has been dropped or placed.
(Ball incorrectly substituted – see Rule 15-2)
(Lifting ball incorrectly substituted, dropped or placed – see Rule 20-6)

20-5. Making Next Stroke from Where Previous Stroke Made
When a player elects or is required to make his next stroke from where a previous stroke was made, he must proceed as follows:

a. On the Teeing Ground: The ball to be played must be played from within the teeing ground. It may be played from anywhere within the teeing ground and may be teed.

b. Through the Green and in a Hazard: The ball to be played must be dropped.

c. On the Putting Green: The ball to be played must be placed.

PENALTY FOR BREACH OF RULE 20-5:
Match play – Loss of hole; Stroke play – Two strokes.

20-6. Lifting Ball Incorrectly Substituted, Dropped or Placed
A ball incorrectly substituted, dropped or placed in a wrong place or otherwise not in accordance with the Rules but not played may be lifted, without penalty, and the player must then proceed correctly.

20-7. Playing from Wrong Place
a. General
A player has played from a wrong place if he makes a stroke with his ball in play:
(i) on a part of the course where the Rules do not permit a stroke to be played or a ball to be dropped or placed; or
(ii) when the Rules require a dropped ball to be re-dropped or a moved ball to be replaced.

Note: For a ball played from outside the teeing ground or from a wrong teeing ground – see Rule 11-4.

b. Match Play
If a player makes a stroke from a wrong place, he loses the hole.

c. Stroke Play
If a competitor makes a stroke from a wrong place, he incurs a penalty of two strokes under the applicable Rule. He must play out the hole with the ball played from the wrong place, without correcting his error, provided he has not committed a serious breach (see Note 1).

If a competitor becomes aware that he has played from a wrong place and believes that he may have committed a serious breach, he must, before making a stroke on the next teeing ground, play out the hole with a second ball dropped or placed in accordance with the Rules. If the hole being played is the last hole of the round, he must declare, before leaving the putting green, that he will play out the hole with a second ball dropped or placed in accordance with the Rules.

The competitor must report the facts to the Committee before returning his score card; if he fails to do so, he is disqualified.

The Committee must determine whether the competitor has committed a serious breach of the applicable Rule. If he has, the score with the second ball counts and the competitor must
add two penalty strokes to his score with that ball. If the competitor has committed a serious breach and has failed to correct it as outlined above, he is disqualified.

Note 1: A competitor is deemed to have committed a serious breach of the applicable Rule if the Committee considers he has gained a significant advantage as a result of playing from a wrong place.

Note 2: If a competitor plays a second ball under Rule 20-7c and it is ruled not to count, strokes made with that ball and penalty strokes incurred solely by playing that ball are disregarded. If the second ball is ruled to count, the stroke made from the wrong place and any strokes subsequently taken with the original ball including penalty strokes incurred solely by playing that ball are disregarded.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

A ball on the putting green may be cleaned when lifted under Rule 16-1b. Elsewhere, a ball may be cleaned when lifted except when it has been lifted:

a. To determine if it is unfit for play (Rule 5-3);
b. For identification (Rule 12-2), in which case it may be cleaned only to the extent necessary for identification; or
c. Because it is assisting or interfering with play (Rule 22).

If a player cleans his ball during play of a hole except as provided in this Rule, he incurs a penalty of one stroke and the ball, if lifted, must be replaced.

If a player who is required to replace a ball fails to do so, he incurs the penalty for breach of Rule 20-3a, but there is no additional penalty under Rule 21.

Exception: If a player incurs a penalty for failing to act in accordance with Rule 5-3, 12-2 or 22, there is no additional penalty under Rule 21.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

22-1. Ball Assisting Play
Except when a ball is in motion, if a player considers that a ball might assist any other player, he may:

a. lift the ball if it is his ball; or
b. have any other ball lifted.

A ball lifted under this Rule must be replaced (see Rule 20-3). The ball must not be cleaned unless it lies on the putting green (see Rule 21).

In stroke play, a player required to lift his ball may play first rather than lift the ball.

In stroke play, if the Committee determines that competitors have agreed not to lift a ball that might assist any other player, they are disqualified.

22-2. Ball Interfering with Play
Except when a ball is in motion, if a player considers that the ball of another player might interfere with his play, he may have it lifted.

A ball lifted under this Rule must be replaced (see Rule 20-3). The ball must not be cleaned unless it lies on the putting green (see Rule 21).
In stroke play, a player required to lift his ball may play first rather than lift the ball.

Note: Except on the putting green, a player may not lift his ball solely because he considers that it might interfere with the play of another player. If a player lifts his ball without being asked to do so, he incurs a penalty of one stroke for a breach of Rule 18-2a, but there is no additional penalty under Rule 22.

**PENALTY FOR BREACH OF RULE:**
Match play – Loss of hole; Stroke play – Two strokes.

**Note:** If the ball lies in a hazard, the player must not touch or move any loose impediment lying in or touching the same hazard – see Rule 13-4c.

**PENALTY FOR BREACH OF RULE:**
Match play – Loss of hole; Stroke play – Two strokes.

(Searching for ball in hazard – see Rule 12-1)

**Definitions**
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**23-1. Relief**
Except when both the *loose impediment* and the ball lie in or touch the same *hazard*, any *loose impediment* may be removed without penalty.

If the ball lies anywhere other than on the putting green and the removal of a *loose impediment* by the player causes the ball to *move*, Rule 18-2a applies.

On the putting green, if the ball or ball-marker *moves* in the process of the player removing any *loose impediment*, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball or ball-marker is directly attributable to the removal of the *loose impediment*. Otherwise, if the player causes the ball to *move*, he incurs a penalty of one stroke under Rule 18-2a.

When a ball is in motion, a *loose impediment* that might influence the movement of the ball must not be removed.

**Rule 24**
**Obstructions**

**Definitions**
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**24-1. Movable Obstruction**
A player may take relief without penalty from a movable *obstruction* as follows:

a. If the ball does not lie in or on the *obstruction*, the *obstruction* may be removed. If the ball *moves*, it must be replaced, and there is no penalty provided that the movement of the ball is directly attributable to the removal of the *obstruction*. Otherwise, Rule 18-2a applies.

b. If the ball lies in or on the *obstruction*, the ball may be lifted and the *obstruction* removed. The ball must *through the green* or in a *hazard* be dropped, or on the putting green be placed, as near as possible to the spot directly under the place where the ball lay in or on the *obstruction*, but not nearer the *bole*.

The ball may be cleaned when lifted under this Rule.

When a ball is in motion, an *obstruction* that might influence the movement of the ball, other than an attended *flagstick* or *equipment* of the players, must not be removed.
Rule 24

(Exerting influence on ball – see Rule 1-2)

Note: If a ball to be dropped or placed under this Rule is not immediately recoverable, another ball may be substituted.

24-2. Immovable Obstruction

a. Interference
Interference by an immovable obstruction occurs when a ball lies in or on the obstruction, or when the obstruction interferes with the player’s stance or the area of his intended swing. If the player’s ball lies on the putting green, interference also occurs if an immovable obstruction on the putting green intervenes on his line of putt. Otherwise, intervention on the line of play is not, of itself, interference under this Rule.

b. Relief
Except when the ball is in a water hazard or a lateral water hazard, a player may take relief from interference by an immovable obstruction as follows:

(i) Through the Green: If the ball lies through the green, the player must lift the ball and drop it without penalty within one club-length of and not nearer the hole than the nearest point of relief. The nearest point of relief must not be in a hazard or on a putting green. When the ball is dropped within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the immovable obstruction and is not in a hazard and not on a putting green.

(ii) In a Bunker: If the ball is in a bunker, the player must lift the ball and drop it either:
   (a) Without penalty, in accordance with Clause (i) above, except that the nearest point of relief must be in the bunker and the ball must be dropped in the bunker; or
   (b) Under penalty of one stroke, outside the bunker keeping the point where the ball lay directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the bunker the ball may be dropped.

(iii) On the Putting Green: If the ball lies on the putting green, the player must lift the ball and place it without penalty at the nearest point of relief that is not in a hazard. The nearest point of relief may be off the putting green.

(iv) On the Teeing Ground: If the ball lies on the teeing ground, the player must lift the ball and drop it without penalty in accordance with Clause (i) above.

The ball may be cleaned when lifted under this Rule.

(Ball rolling to a position where there is interference by the condition from which relief was taken – see Rule 20-2c(v))

Exception: A player may not take relief under this Rule if (a) it is clearly unreasonable for him to make a stroke because of interference by anything other than an immovable obstruction or (b) interference by an immovable obstruction would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

Note 1: If a ball is in a water hazard (including a lateral water hazard), the player may not take relief from interference by an immovable obstruction. The player must play the ball as it lies or proceed under Rule 26-1.

Note 2: If a ball to be dropped or placed under this Rule is not immediately recoverable, another ball may be substituted.

Note 3: The Committee may make a Local Rule stating that the player must determine the nearest point of relief without crossing over, through or under the obstruction.

24-3. Ball Lost in Obstruction

It is a question of fact whether a ball lost after having been struck toward an obstruction is lost in the obstruction. In order to treat the ball as lost in the obstruction, there must be...
reasonable evidence to that effect. In the absence of such
evidence, the ball must be treated as a lost ball and Rule
27 applies.

a. Ball Lost in Movable Obstruction
If a ball is lost in a movable obstruction, a player may, without
penalty, remove the obstruction and must through the green or
in a hazard drop a ball, or on the putting green place a ball, as
near as possible to the spot directly under the place where the
ball last crossed the outermost limits of the movable
obstruction, but not nearer the hole.

b. Ball Lost in Immovable Obstruction
If a ball is lost in an immovable obstruction, the spot where the
ball last crossed the outermost limits of the obstruction must
be determined and, for the purpose of applying this Rule, the
ball is deemed to lie at this spot and the player may take relief as follows:

(i) Through the Green: If the ball last crossed the outermost
limits of the immovable obstruction at a spot through the
green, the player may substitute another ball without
penalty and take relief as prescribed in Rule 24-2b(i).

(ii) In a Bunker: If the ball last crossed the outermost limits of the
immovable obstruction at a spot in a bunker, the
player may substitute another ball without penalty and
take relief as prescribed in Rule 24-2b(ii).

(iii) In a Water Hazard (including a Lateral Water Hazard): If
the ball last crossed the outermost limits of the immovable
obstruction at a spot in a water hazard, the player is not
entitled to relief without penalty. The player must proceed
under Rule 26-1.

(iv) On the Putting Green: If the ball last crossed the
outermost limits of the immovable obstruction at a spot
on the putting green, the player may substitute another

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

25-1. Abnormal Ground Conditions
a. Interference
Interference by an abnormal ground condition occurs when a
ball lies in or touches the condition or when the condition
interferes with the player’s stance or the area of his intended
swing. If the player’s ball lies on the putting green, interference
also occurs if an abnormal ground condition on the putting
green intervenes on his line of putt. Otherwise, intervention on
the line of play is not, of itself, interference under this Rule.

Note: The Committee may make a Local Rule denying the
player relief from interference with his stance by an abnormal
ground condition.

b. Relief
Except when the ball is in a water hazard or a lateral water
hazard, a player may take relief from interference by an
abnormal ground condition as follows:

(i) Through the Green: If the ball lies through the green, the
player must lift the ball and drop it without penalty within
one club-length of and not nearer the hole than the nearest
point of relief. The nearest point of relief must not be in a
hazard or on a putting green. When the ball is dropped
within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the condition and is not in a hazard and not on a putting green.

(ii) In a Bunker: If the ball is in a bunker, the player must lift the ball and drop it either:

(a) Without penalty, in accordance with Clause (i) above, except that the nearest point of relief must be in the bunker and the ball must be dropped in the bunker, or if complete relief is impossible, as near as possible to the spot where the ball lay, but not nearer the hole, on a part of the course in the bunker that affords maximum available relief from the condition; or

(b) Under penalty of one stroke, outside the bunker keeping the point where the ball lay directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the bunker the ball may be dropped.

(iii) On the Putting Green: If the ball lies on the putting green, the player must lift the ball and place it without penalty at the nearest point of relief that is not in a hazard, or if complete relief is impossible, at the nearest position to where it lay that affords maximum available relief from the condition, but not nearer the hole and not in a hazard. The nearest point of relief or maximum available relief may be off the putting green.

(iv) On the Teeing Ground: If the ball lies on the teeing ground, the player must lift the ball and drop it without penalty in accordance with Clause (i) above.

The ball may be cleaned when lifted under Rule 25-1b.

(Ball rolling to a position where there is interference by the condition from which relief was taken – see Rule 20-2c(v))

Exception: A player may not take relief under this Rule if (a) it is clearly unreasonable for him to make a stroke because of interference by anything other than an abnormal ground condition or (b) interference by an abnormal ground condition would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

Note 1: If a ball is in a water hazard (including a lateral water hazard), the player is not entitled to relief without penalty from interference by an abnormal ground condition. The player must play the ball as it lies (unless prohibited by Local Rule) or proceed under Rule 26-1.

Note 2: If a ball to be dropped or placed under this Rule is not immediately recoverable, another ball may be substituted.

c. Ball Lost

It is a question of fact whether a ball lost after having been struck toward an abnormal ground condition is lost in such condition. In order to treat the ball as lost in the abnormal ground condition, there must be reasonable evidence to that effect. In the absence of such evidence, the ball must be treated as a lost ball and Rule 27 applies.

If a ball is lost in an abnormal ground condition, the spot where the ball last crossed the outermost limits of the condition must be determined and, for the purpose of applying this Rule, the ball is deemed to lie at this spot and the player may take relief as follows:

(i) Through the Green: If the ball last crossed the outermost limits of the abnormal ground condition at a spot through the green, the player may substitute another ball without penalty and take relief as prescribed in Rule 25-1b(i).

(ii) In a Bunker: If the ball last crossed the outermost limits of the abnormal ground condition at a spot in a bunker, the player may substitute another ball without penalty and take relief as prescribed in Rule 25-1b(ii).
(iii) In a Water Hazard (including a Lateral Water Hazard): If the ball last crossed the outermost limits of the abnormal ground condition at a spot in a water hazard, the player is not entitled to relief without penalty. The player must proceed under Rule 26-1.

(iv) On the Putting Green: If the ball last crossed the outermost limits of the abnormal ground condition at a spot on the putting green, the player may substitute another ball without penalty and take relief as prescribed in Rule 25-1b(iii).

25-2. Embedded Ball
A ball embedded in its own pitch-mark in the ground in any closely-mown area through the green may be lifted, cleaned and dropped, without penalty, as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the rough, cut to fairway height or less.

25-3. Wrong Putting Green
a. Interference
Interference by a wrong putting green occurs when a ball is on the wrong putting green.
Interference to a player’s stance or the area of his intended swing is not, of itself, interference under this Rule.

b. Relief
If a player’s ball lies on a wrong putting green, he must not play the ball as it lies. He must take relief, without penalty, as follows:
The player must lift the ball and drop it within one club-length of and not nearer the hole than the nearest point of relief. The nearest point of relief must not be in a hazard or on a putting green. When dropping the ball within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the wrong putting green and is not in a hazard and not on a putting green. The ball may be cleaned when lifted under this Rule.

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

26-1. Relief for Ball in Water Hazard
It is a question of fact whether a ball lost after having been struck toward a water hazard is lost inside or outside the hazard. In order to treat the ball as lost in the hazard, there must be reasonable evidence that the ball lodged in it. In the absence of such evidence, the ball must be treated as a lost ball and Rule 27 applies.

If a ball is in or is lost in a water hazard (whether the ball lies in water or not), the player may under penalty of one stroke:

a. Play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5); or
b. Drop a ball behind the water hazard, keeping the point at which the original ball last crossed the margin of the water hazard directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the water hazard the ball may be dropped; or

As additional options available only if the ball last crossed the margin of a lateral water hazard, drop a ball outside the water hazard within two club-lengths of and not
nearer the hole than (i) the point where the original ball last crossed the margin of the water hazard or (ii) a point on the opposite margin of the water hazard equidistant from the hole.

The ball may be lifted and cleaned when proceeding under this Rule.

(Prohibited actions when ball is in a hazard – see Rule 13-4)

(Ball moving in water in a water hazard – see Rule 14-6)

26-2. Ball Played Within Water Hazard

a. Ball Comes to Rest in Same or Another Water Hazard

If a ball played from within a water hazard comes to rest in the same or another water hazard after the stroke, the player may:

(i) proceed under Rule 26-1a. If, after dropping in the hazard, the player elects not to play the dropped ball, he may:

(a) with reference to this hazard, proceed under Rule 26-1b, or if applicable Rule 26-1c, adding the additional penalty of one stroke prescribed by that Rule; or

(b) add an additional penalty of one stroke and play a ball as nearly as possible at the spot from which the last stroke from outside a water hazard was made (see Rule 20-5); or

(ii) proceed under Rule 26-1b, or if applicable Rule 26-1c; or

(iii) under penalty of one stroke, play a ball as nearly as possible at the spot from which the last stroke from outside a water hazard was made (see Rule 20-5).

b. Ball Lost or Unplayable Outside Hazard or Out of Bounds

If a ball played from within a water hazard is lost or declared unplayable outside the hazard or is out of bounds, the player may, after taking a penalty of one stroke under Rule 27-1 or 28a:

(i) play a ball as nearly as possible at the spot in the hazard from which the original ball was last played (see Rule 20-5); or

(ii) proceed under Rule 26-1b, or if applicable Rule 26-1c, adding the additional penalty of one stroke prescribed by the Rule and using as the reference point the point where the original ball last crossed the margin of the hazard before it came to rest in the hazard; or

(iii) add an additional penalty of one stroke and play a ball as nearly as possible at the spot from which the last stroke from outside the hazard was made (see Rule 20-5).

Note 1: When proceeding under Rule 26-2b, the player is not required to drop a ball under Rule 27-1 or 28a. If he does drop a ball, he is not required to play it. He may alternatively proceed under Rule 26-2b(ii) or (iii).

Note 2: If a ball played from within a water hazard is declared unplayable outside the hazard, nothing in Rule 26-2b precludes the player from proceeding under Rule 28b or c.

PENALTY FOR BREACH OF RULE:
Match play – Loss of hole; Stroke play – Two strokes.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

27-1. Ball Lost or Out of Bounds

If a ball is lost or is out of bounds, the player must play a ball, under penalty of one stroke, as nearly as possible at the spot from which the original ball was last played (see Rule 20-5).
Exception:

1. If there is reasonable evidence that the original ball is lost in a water hazard, the player must proceed in accordance with Rule 26-1.

2. If there is reasonable evidence that the original ball is lost in an obstruction (Rule 24-3) or an abnormal ground condition (Rule 25-1c) the player may proceed under the applicable Rule.

**PENALTY FOR BREACH OF RULE 27-1:**
Match play – Loss of hole; Stroke play – Two strokes.

27-2. Provisional Ball

a. Procedure

If a ball may be lost outside a water hazard or may be out of bounds, to save time the player may play another ball provisionally in accordance with Rule 27-1. The player must inform his opponent in match play or his marker or a fellow-competitor in stroke play that he intends to play a provisional ball, and he must play it before he or his partner goes forward to search for the original ball.

If he fails to do so and plays another ball, that ball is not a provisional ball and becomes the ball in play under penalty of stroke and distance (Rule 27-1); the original ball is lost.

(Order of play from teeing ground – see Rule 10-3)

Note: If a provisional ball played under Rule 27-2a might be lost outside a water hazard or out of bounds, the player may play another provisional ball. If another provisional ball is played, it bears the same relationship to the previous provisional ball as the first provisional ball bears to the original ball.

b. When Provisional Ball Becomes Ball in Play

The player may play a provisional ball until he reaches the place where the original ball is likely to be. If he makes a stroke with the provisional ball from the place where the original ball is likely to be or from a point nearer the hole than that place, the original ball is lost and the provisional ball becomes the ball in play under penalty of stroke and distance (Rule 27-1).

If the original ball is lost outside a water hazard or is out of bounds, the provisional ball becomes the ball in play, under penalty of stroke and distance (Rule 27-1).

If there is reasonable evidence that the original ball is lost in a water hazard, the player must proceed in accordance with Rule 26-1.

Exception: If there is reasonable evidence that the original ball is lost in an obstruction (Rule 24-3) or an abnormal ground condition (Rule 25-1c) the player may proceed under the applicable Rule.

c. When Provisional Ball to be Abandoned

If the original ball is neither lost nor out of bounds, the player must abandon the provisional ball and continue play with the original ball. If he makes any further strokes at the provisional ball, he is playing a wrong ball and the provisions of Rule 15 apply.

Note: If a player plays a provisional ball under Rule 27-2a, the strokes made after this Rule has been invoked with a provisional ball subsequently abandoned under Rule 27-2c and penalty strokes incurred solely by playing that ball are disregarded.

**Rule 28 Ball Unplayable**

Definitions

All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.
The player may deem his ball unplayable at any place on the course except when the ball is in a water hazard. The player is the sole judge as to whether his ball is unplayable.

If the player deems his ball to be unplayable, he must, under penalty of one stroke:

a. Play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5); or

b. Drop a ball behind the point where the ball lay, keeping that point directly between the hole and the spot on which the ball may be dropped; or

c. Drop a ball within two club-lengths of the spot where the ball lay, but not nearer the hole.

If the unplayable ball is in a bunker, the player may proceed under Clause a, b or c. If he elects to proceed under Clause b or c, a ball must be dropped in the bunker.

The ball may be lifted and cleaned when proceeding under this Rule.

**PENALTY FOR BREACH OF RULE:**

Match play – Loss of hole; Stroke play – Two strokes.

## OTHER FORMS OF PLAY

### Rule 29

**Threesomes and Foursomes**

**Definitions**

All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**29-1. General**

In a *threesome* or a *foursome*, during any *stipulated round* the *partners* must play alternately from the *teeing grounds* and alternately during the play of each hole. *Penalty strokes do not affect the order of play.*

**29-2. Match Play**

If a player plays when his *partner* should have played, his *side loses the hole.*

**29-3. Stroke Play**

If the *partners* make a *stroke or strokes* in incorrect order, such *stroke or strokes* are cancelled and the *side* incurs a penalty of two strokes. The *side* must correct the error by playing a ball in correct order as nearly as possible at the spot from which it first played in incorrect order (see Rule 20-5). If the *side* makes a *stroke* on the next *teeing ground* without first correcting the error or, in the case of the last hole of the round, leaves the *putting green* without declaring its intention to correct the error, the *side is disqualified.*

### Rule 30

**Three-Ball, Best-Ball and Four-Ball Match Play**

**Definitions**

All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**30-1. Rules of Golf Apply**

The Rules of Golf, so far as they are not at variance with the following specific Rules, apply to *three-ball, best-ball and four-ball matches.*

**30-2. Three-Ball Match Play**

a. *Ball at Rest Moved by an Opponent*

Except as otherwise provided in the *Rules*, if the player’s ball is touched or *moved* by an opponent, his *caddie or equipment* other than during search, Rule 18-3b applies. That opponent incurs a penalty of one stroke in his match with the player, but not in his match with the other opponent.
b. Ball Deflected or Stopped by an Opponent Accidentally

If a player’s ball is accidentally deflected or stopped by an opponent, his caddie or equipment, there is no penalty. In his match with that opponent the player may play the ball as it lies or, before another stroke is played by either side, he may cancel the stroke and play a ball without penalty as nearly as possible at the spot from which the original ball was last played (see Rule 20-5). In his match with the other opponent, the ball must be played as it lies.

Exception: Ball striking person attending flagstick – see Rule 17-3b.

30-3. Best-Ball and Four-Ball Match Play

a. Representation of Side

A side may be represented by one partner for all or any part of a match; all partners need not be present. An absent partner may join a match between holes, but not during play of a hole.

b. Maximum of Fourteen Clubs

The side is penalised for a breach of Rules 4-3a(iii) and 4-4 by any partner.

c. Order of Play

Balls belonging to the same side may be played in the order the side considers best.

d. Wrong Ball

If a player makes a stroke at a wrong ball that is not in a hazard, he is disqualified for that hole, but his partner incurs no penalty even if the wrong ball belongs to him. If the wrong ball belongs to another player, its owner must place a ball on the spot from which the wrong ball was first played.

e. Disqualification of Side

(i) A side is disqualified for a breach of any of the following by any partner:

- Rule 1-3 Agreement to Waive Rules
- Rule 4-1 or -2 Clubs
- Rule 5-1 or -2 The Ball
- Rule 6-2a Handicap (playing off higher handicap)
- Rule 6-4 Caddie (having more than one caddie; failure to correct breach immediately)
- Rule 6-7 Undue Delay; Slow Play (repeated offence)
- Rule 14-3 Artificial Devices and Unusual Equipment

(ii) A side is disqualified for a breach of any of the following by all partners:

- Rule 6-3 Time of Starting and Groups
- Rule 6-8 Discontinuance of Play

(iii) In all other cases where a breach of a Rule would result in disqualification, the player is disqualified for that hole only.

f. Effect of Other Penalties

If a player’s breach of a Rule assists his partner’s play or adversely affects an opponent’s play, the partner incurs the applicable penalty in addition to any penalty incurred by the player.

In all other cases where a player incurs a penalty for breach of a Rule, the penalty does not apply to his partner. Where the penalty is stated to be loss of hole, the effect is to disqualify the player for that hole.
g. Another Form of Match Played Concurrently
In a best-ball or four-ball match when another form of match is played concurrently, the above specific Rules apply.

**Rule 31**  
Four-Ball Stroke Play

**Definitions**
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 23-35.

**31-1. General**
In *four-ball* stroke play two *competitors* play as *partners*, each playing his own ball. The lower score of the *partners* is the score for the hole. If one *partner* fails to complete the play of a hole, there is no penalty.

The *Rules of Golf*, so far as they are not at variance with the following specific Rules, apply to *four-ball* stroke play.

**31-2. Representation of Side**
A *side* may be represented by either *partner* for all or any part of a *stipulated round*; both *partners* need not be present. An absent *competitor* may join his *partner* between holes, but not during play of a hole.

**31-3. Maximum of Fourteen Clubs**
The *side* is penalised for a breach of *Rules 4-3a (iii) and 4-4* by either *partner*.

**31-4. Scoring**
The *marker* is required to record for each hole only the gross score of whichever *partner’s score* is to count. The gross scores to count must be individually identifiable; otherwise the *side* is disqualified. Only one of the *partners* need be responsible for complying with *Rule 6-6b*.

(Wrong score – see Rule 31-7a)

**31-5. Order of Play**
Balls belonging to the same *side* may be played in the order the *side* considers best.

**31-6. Wrong Ball**
If a *competitor* makes a *stroke* at a *wrong ball* that is not in a *hazard*, he incurs a penalty of two strokes and must correct his mistake by playing the correct ball or by proceeding under the *Rules*. His *partner* incurs no penalty even if the *wrong ball* belongs to him.

If the *wrong ball* belongs to another *competitor*, its owner must place a ball on the spot from which the *wrong ball* was first played.

**31-7. Disqualification Penalties**

**a. Breach by One Partner**
A *side* is disqualified from the competition for a breach of any of the following by either *partner*:

- Rule 1-3 Agreement to Waive Rules
- Rule 3-4 Refusal to Comply with Rule
- Rule 4-1 or -2 Clubs
- Rule 5-1 or -2 The Ball
- Rule 6-2b Handicap (playing off higher handicap; failure to record handicap)
- Rule 6-4 Caddie (having more than one caddie; failure to correct breach immediately)
- Rule 6-6b Signing and Returning Score Card
- Rule 6-6d Wrong Score for Hole, i.e. when the recorded score of the *partner* whose score is to count is lower than actually taken. If the recorded score of the *partner* whose score is to count is higher than actually taken, it must stand as returned
32-1. Conditions

Bogey, par and Stableford competitions are forms of stroke play in which play is against a fixed score at each hole. The Rules for stroke play, so far as they are not at variance with the following specific Rules, apply.

a. Bogey and Par Competitions

The scoring for bogey and par competitions is made as in match play. Any hole for which a competitor makes no return is regarded as a loss. The winner is the competitor who is most successful in the aggregate of holes.

The marker is responsible for marking only the gross number of strokes for each hole where the competitor makes a net score equal to or less than the fixed score.

Note 1: Maximum of Fourteen Clubs – Penalties as in match play – see Rule 4-4.

Note 2: One Caddie at Any One Time – Penalties as in match play – see Rule 6-4.

Note 3: Undue Delay; Slow Play (Rule 6-7) – The competitor’s score is adjusted by deducting one hole from the overall result.

b. Stableford Competitions

The scoring in Stableford competitions is made by points awarded in relation to a fixed score at each hole as follows:

<table>
<thead>
<tr>
<th>Hole Played In</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>More than one over fixed score or no score returned</td>
<td>0</td>
</tr>
<tr>
<td>One over fixed score</td>
<td>1</td>
</tr>
<tr>
<td>Fixed score</td>
<td>2</td>
</tr>
<tr>
<td>One under fixed score</td>
<td>3</td>
</tr>
<tr>
<td>Two under fixed score</td>
<td>4</td>
</tr>
<tr>
<td>Three under fixed score</td>
<td>5</td>
</tr>
<tr>
<td>Four under fixed score</td>
<td>6</td>
</tr>
</tbody>
</table>

31-8. Effect of Other Penalties

If a competitor’s breach of a Rule assists his partner’s play, the partner incurs the applicable penalty in addition to any penalty incurred by the competitor.

In all other cases where a competitor incurs a penalty for breach of a Rule, the penalty does not apply to his partner.
The winner is the competitor who scores the highest number of points.

The marker is responsible for marking only the gross number of strokes at each hole where the competitor’s net score earns one or more points.

Note 1: Maximum of Fourteen Clubs (Rule 4-4) – Penalties applied as follows: From total points scored for the round, deduction of two points for each hole at which any breach occurred; maximum deduction per round: four points.

Note 2: One Caddie at Any One Time (Rule 6-4) – Penalties applied as follows: From the points scored for the round, deduction of two points for each hole at which any breach occurred; maximum deduction per round: four points.

Note 3: Undue Delay; Slow Play (Rule 6-7) – The competitor’s score is adjusted by deducting two points from the total points scored for the round.

32-2. Disqualification Penalties

a. From the Competition

A competitor is disqualified from the competition for a breach of any of the following:

- Rule 1-3 Agreement to Waive Rules
- Rule 3-4 Refusal to Comply with Rule
- Rule 4-1 or -2 Clubs
- Rule 5-1 or -2 The Ball
- Rule 6-2b Handicap (playing off higher handicap; failure to record handicap)
- Rule 6-3 Time of Starting and Groups
- Rule 6-4 Caddie (having more than one caddie; failure to correct breach immediately)
- Rule 6-6b Signing and Returning Score Card
- Rule 6-6d Wrong Score for Hole, i.e. when the recorded score is lower than actually taken, except that no penalty is incurred when a breach of this Rule does not affect the result of the hole
- Rule 6-7 Undue Delay; Slow Play (repeated offence)
- Rule 6-8 Discontinuance of Play
- Rule 7-1 Practice Before or Between Rounds
- Rule 14-3 Artificial Devices and Unusual Equipment

b. For a Hole

In all other cases where a breach of a Rule would result in disqualification, the competitor is disqualified only for the hole at which the breach occurred.

ADMINISTRATION

Definition

All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

33-1. Conditions; Waiving Rule

The Committee must establish the conditions under which a competition is to be played.

The Committee has no power to waive a Rule of Golf.

Certain specific Rules governing stroke play are so substantially different from those governing match play that combining the two forms of play is not practicable and is not permitted. The results of matches played and the scores returned in these circumstances must not be accepted.

In stroke play the Committee may limit a referee’s duties.
Rule 33

33-2. The Course
a. Defining Bounds and Margins
The Committee must define accurately:
(i) the course and out of bounds,
(ii) the margins of water hazards and lateral water hazards,
(iii) ground under repair, and
(iv) obstructions and integral parts of the course.
b. New Holes
New holes should be made on the day on which a stroke play competition begins and at such other times as the Committee considers necessary, provided all competitors in a single round play with each hole cut in the same position.
Exception: When it is impossible for a damaged hole to be repaired so that it conforms with the Definition, the Committee may make a new hole in a nearby similar position.
Note: Where a single round is to be played on more than one day, the Committee may provide in the conditions of a competition that the holes and teeing grounds may be differently situated on each day of the competition, provided that, on any one day, all competitors play with each hole and each teeing ground in the same position.
c. Practice Ground
Where there is no practice ground available outside the area of a competition course, the Committee should establish the area on which players may practise on any day of a competition, if it is practicable to do so. On any day of a stroke play competition, the Committee should not normally permit practice on or to a putting green or from a hazard of the competition course.
d. Course Unplayable
If the Committee or its authorised representative considers that for any reason the course is not in a playable condition or that there are circumstances that render the proper playing of the game impossible, it may, in match play or stroke play, order a temporary suspension of play or, in stroke play, declare play null and void and cancel all scores for the round in question. When a round is cancelled, all penalties incurred in that round are cancelled.
(Procedure in discontinuing and resuming play – see Rule 6-8)

33-3. Times of Starting and Groups
The Committee must establish the times of starting and, in stroke play, arrange the groups in which competitors must play.

When a match play competition is played over an extended period, the Committee establishes the limit of time within which each round must be completed. When players are allowed to arrange the date of their match within these limits, the Committee should announce that the match must be played at a stated time on the last day of the period unless the players agree to a prior date.

33-4. Handicap Stroke Table
The Committee must publish a table indicating the order of holes at which handicap strokes are to be given or received.

33-5. Score Card
In stroke play, the Committee must provide each competitor with a score card containing the date and the competitor's name or, in foursome or four-ball stroke play, the competitors' names.
In stroke play, the Committee is responsible for the addition of scores and application of the handicap recorded on the score card.
In four-ball stroke play, the Committee is responsible for recording the better-ball score for each hole and in the process applying the handicaps recorded on the score card, and adding the better-balls scores.
In bogey, par and Stableford competitions, the Committee is responsible for applying the handicap recorded on the score card and determining the result of each hole and the overall result or points total.

Note: The Committee may request that each competitor records the date and his name on his score card.

33-6. Decision of Ties
The Committee must announce the manner, day and time for the decision of a halved match or of a tie, whether played on level terms or under handicap.
A halved match must not be decided by stroke play. A tie in stroke play must not be decided by a match.

33-7. Disqualification Penalty; Committee Discretion
A penalty of disqualification may in exceptional individual cases be waived, modified or imposed if the Committee considers such action warranted.
Any penalty less than disqualification must not be waived or modified.
If a Committee considers that a player is guilty of a serious breach of etiquette, it may impose a penalty of disqualification under this Rule.

33-8. Local Rules
a. Policy
The Committee may establish Local Rules for local abnormal conditions if they are consistent with the policy set forth in Appendix I.
b. Waiving or Modifying a Rule
A Rule of Golf must not be waived by a Local Rule. However, if a Committee considers that local abnormal conditions interfere with the proper playing of the game to the extent that it is necessary to make a Local Rule that modifies the Rules of Golf, the Local Rule must be authorised by the R&A.

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 23-35.

34-1. Claims and Penalties
a. Match Play
If a claim is lodged with the Committee under Rule 2-5, a decision should be given as soon as possible so that the state of the match may, if necessary, be adjusted. If a claim is not made in accordance with Rule 2-5, it must not be considered by the Committee.
There is no time limit on applying the disqualification penalty for a breach of Rule 1-3.
b. Stroke Play
In stroke play, a penalty must not be rescinded, modified or imposed after the competition has closed. A competition is closed when the result has been officially announced or, in stroke play qualifying followed by match play, when the player has teed off in his first match.
Exceptions: A penalty of disqualification must be imposed after the competition has closed if a competitor:
(i) was in breach of Rule 1-3 (Agreement to Waive Rules); or
(ii) returned a score card on which he had recorded a handicap that, before the competition closed, he knew was higher than that to which he was entitled, and this affected the number of strokes received (Rule 6-2b); or
(iii) returned a score for any hole lower than actually taken (Rule 6-6d) for any reason other than failure to include a penalty that, before the competition closed, he did not know he had incurred; or
(iv) knew, before the competition closed, that he had been in breach of any other Rule for which the penalty is disqualification.

34-2. Referee's Decision
If a referee has been appointed by the Committee, his decision is final.

34-3. Committee's Decision
In the absence of a referee, any dispute or doubtful point on the Rules must be referred to the Committee, whose decision is final.

If the Committee cannot come to a decision, it may refer the dispute or doubtful point to the Rules of Golf Committee of the R&A, whose decision is final.

If the dispute or doubtful point has not been referred to the Rules of Golf Committee, the player or players may request that an agreed statement be referred through a duly authorised representative of the Committee to the Rules of Golf Committee for an opinion as to the correctness of the decision given. The reply will be sent to this authorised representative.

If play is conducted other than in accordance with the Rules of Golf, the Rules of Golf Committee will not give a decision on any question.
Part A  Local Rules

As provided in Rule 33-8a, the Committee may make and publish Local Rules for local abnormal conditions if they are consistent with the policy established in this Appendix. In addition, detailed information regarding acceptable and prohibited Local Rules is provided in “Decisions on the Rules of Golf” under Rule 33-8 and in “Guidance on Running a Competition”.

If local abnormal conditions interfere with the proper playing of the game and the Committee considers it necessary to modify a Rule of Golf, authorisation from the R&A must be obtained.

1. Defining Bounds and Margins
Specifying means used to define out of bounds, water hazards, lateral water hazards, ground under repair, obstructions and integral parts of the course (Rule 33-2a).

2. Water Hazards
a. Lateral Water Hazards
Clarifying the status of water hazards that may be lateral water hazards (Rule 26).

b. Provisional Ball
Permitting play of a provisional ball under Rule 26-1 for a ball that may be in a water hazard of such character that if the original ball is not found, there is reasonable evidence that it is lost in the water hazard and it would be impracticable to determine whether the ball is in the hazard or to do so would unduly delay play. The ball is played provisionally under any of the available options under Rule 26-1 or any applicable Local Rule. In such a case, if a provisional ball is played and the original ball is in a water hazard, the player may play the original ball as it lies or continue with the provisional ball in...
3. Areas of the Course Requiring Preservation;

Environmentally-Sensitive Areas

Assisting preservation of the course by defining areas, including turf nurseries, young plantations and other parts of the course under cultivation as “ground under repair” from which play is prohibited.

When the Committee is required to prohibit play from environmentally-sensitive areas that are on or adjoin the course, it should make a Local Rule clarifying the relief procedure.

4. Temporary Conditions – Mud, Extreme Wetness, Poor Conditions and Protection of Course

a. Lifting an Embedded Ball, Cleaning

Temporary conditions that might interfere with proper playing of the game, including mud and extreme wetness, warranting relief for an embedded ball anywhere through the green or permitting lifting, cleaning and replacing a ball anywhere through the green or on a closely-mown area through the green.

b. “Preferred Lies” and “Winter Rules”

Adverse conditions, including the poor condition of the course or the existence of mud, are sometimes so general, particularly during winter months, that the Committee may decide to grant relief by temporary Local Rule either to protect the course or to promote fair and pleasant play. The Local Rule must be withdrawn as soon as the conditions warrant.

5. Obstructions

a. General

Clarifying status of objects that may be obstructions (Rule 24)

Declaring any construction to be an integral part of the course and, accordingly, not an obstruction, e.g., built-up sides of teeing grounds, putting greens and bunkers (Rules 24 and 33-2a).

b. Stones in Bunkers

Allowing the removal of stones in bunkers by declaring them to be “movable obstructions” (Rule 24-1).

c. Roads and Paths

(i) Declaring artificial surfaces and sides of roads and paths to be integral parts of the course, or

(ii) Providing relief of the type afforded under Rule 24-2b from roads and paths not having artificial surfaces and sides if they could unfairly affect play.

d. Immovable Obstructions Close to Putting Green

Providing relief from intervention by immovable obstructions on or within two club-lengths of the putting green when the ball lies within two club-lengths of the obstruction.

e. Protection of Young Trees

Providing relief for the protection of young trees.

f. Temporary Obstructions

Providing relief from interference by temporary obstructions (e.g., grandstands, television cables and equipment, etc).

6. Dropping Zones (Ball Drops)

Establishing special areas on which balls may or must be dropped when it is not feasible or practicable to proceed exactly in conformity with Rule 24-2b or 24-3 (Immovable Obstruction), Rule 25-1b or 25-1c (Abnormal Ground Conditions), Rule 25-3 (Wrong Putting Green), Rule 26-1 (Water Hazards and Lateral Water Hazards) or Rule 28 (Ball Unplayable).
Part B Specimen Local Rules

Within the policy established in Part A of this Appendix, the Committee may adopt a Specimen Local Rule by referring, on a score card or notice board, to the examples given below. However, Specimen Local Rules 3a, 3b, 3c, 6a and 6b should not be printed or referred to on a score card as they are all of limited duration.

1. Areas of the Course Requiring Preservation;
   Environmentally-Sensitive Areas
   a. Ground Under Repair; Play Prohibited
      If the Committee wishes to protect any area of the course, it should declare it to be ground under repair and prohibit play from within that area. The following Local Rule is recommended:
      “The _____________(defined by ____) is ground under repair from which play is prohibited. If a player’s ball lies in the area, or if it interferes with the player’s stance or the area of his intended swing, the player must take relief under Rule 25-1.

      PENALTY FOR BREACH OF LOCAL RULE:
      Match play – Loss of hole; Stroke play – Two strokes.”

   b. Environmentally-Sensitive Areas
      If an appropriate authority (i.e. a Government Agency or the like) prohibits entry into and/or play from an area on or adjoining the course for environmental reasons, the Committee should make a Local Rule clarifying the relief procedure.

      The Committee has some discretion in terms of whether the area is defined as ground under repair, a water hazard or out of bounds. However, it may not simply define the area to be a water hazard if it does not meet the Definition of a “Water Hazard” and it should attempt to preserve the character of the hole.

      The following Local Rule is recommended:

      “I. Definition
      An environmentally-sensitive area is an area so declared by an appropriate authority, entry into and/or play from which is prohibited for environmental reasons. These areas may be defined as ground under repair, a water hazard, a lateral water hazard or out of bounds at the discretion of the Committee provided that, in the case of an environmentally-sensitive area which has been defined as a water hazard or a lateral water hazard, the area is, by Definition, a water hazard.

      Note: The Committee may not declare an area to be environmentally-sensitive.

      II. Ball in Environmentally-Sensitive Area
         a. Ground Under Repair
            If a ball is in an environmentally-sensitive area that is defined as ground under repair, a ball must be dropped in accordance with Rule 25-1b.

            If there is reasonable evidence that a ball is lost within an environmentally-sensitive area that is defined as ground under repair, the player may take relief without penalty as prescribed in Rule 25-1c.

            Note: If a ball, dropped in accordance with Rule 26 rolls into a position where the environmentally-sensitive area interferes with the player’s stance or the area of his intended swing, the player must take relief as provided in Clause III of this Local Rule.
c. Out of Bounds
If a ball is in an environmentally-sensitive area that is defined as out of bounds, the player must play a ball, under penalty of one stroke, as nearly as possible at the spot from which the original ball was last played (see Rule 20-5).

III. Interference with Stance or Area of Intended Swing
Interference by an environmentally-sensitive area occurs when the condition interferes with the player’s stance or the area of his intended swing. If interference exists, the player must take relief as follows:

(a) Through the Green: If the ball lies through the green, the point on the course nearest to where the ball lies must be determined that (a) is not nearer the hole, (b) avoids interference by the condition and (c) is not in a hazard or on a putting green. The player must lift the ball and drop it without penalty within one club-length of the point so determined on a part of the course that fulfils (a), (b) and (c) above.

(b) In a Hazard: If the ball is in a hazard, the player must lift the ball and drop it either:
(i) Without penalty, in the hazard, as near as possible to the spot where the ball lay, but not nearer the hole, on a part of the course that provides complete relief from the condition; or
(ii) Under penalty of one stroke, outside the hazard, keeping the point where the ball lay directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the hazard the ball may be dropped. Additionally, the player may proceed under Rule 26 or 28 if applicable

(c) On the Putting Green: If the ball lies on the putting green, the player must lift the ball and place it without penalty in the nearest position to where it lay that affords complete relief from the condition, but not nearer the hole or in a hazard.

The ball may be cleaned when lifted under Clause III of this Local Rule.

Exception: A player may not obtain relief under Clause III of this Local Rule if (a) it is clearly unreasonable for him to make a stroke because of interference by anything other than a condition covered by this Local Rule or (b) interference by the condition would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

PENALTY FOR BREACH OF LOCAL RULE:
Match play – Loss of hole; Stroke play – Two strokes.

Note: In the case of a serious breach of this Local Rule, the Committee may impose a penalty of disqualification.

2. Protection of Young Trees
When it is desired to prevent damage to young trees, the following Local Rule is recommended:

“Protection of young trees identified by ______. If such a tree interferes with a player’s stance or the area of his intended swing, the ball must be lifted, without penalty, and dropped in accordance with the procedure prescribed in Rule 24-2b (Immovable Obstruction). If the ball lies in a water hazard, the player must lift and drop the ball in accordance with Rule 24-2b(i) except that the nearest point of relief must be in the water hazard and the ball must be dropped in the water hazard or the player may proceed under Rule 26. The ball may be cleaned when lifted under this Local Rule.

Exception: A player may not obtain relief under this Local Rule if (a) it is clearly unreasonable for him to make a stroke because of interference by anything other than the tree or (b) interference by the tree would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

PENALTY FOR BREACH OF LOCAL RULE:
Match play – Loss of hole; Stroke play – Two strokes.”
3. Temporary Conditions – Mud, Extreme Wetness, Poor Conditions and Protection of the Course

a. Relief for Embedded Ball; Cleaning Ball

Rule 25-2 provides relief without penalty for a ball embedded in its own pitch-mark in any closely-mown area through the green. On the putting green, a ball may be lifted and damage caused by the impact of a ball may be repaired (Rules 16-1b and c). When permission to take relief for an embedded ball anywhere through the green would be warranted, the following Local Rule is recommended:

“Through the green, a ball that is embedded in its own pitch-mark in the ground, other than sand, may be lifted without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

Exception: A player may not obtain relief under this Local Rule if it is clearly unreasonable for him to make a stroke because of interference by anything other than the condition covered by this Local Rule.

Penalty for breach of Local Rule:
Match play – Loss of hole; Stroke play – Two strokes.”

Alternatively, conditions may be such that permission to lift, clean and replace the ball will suffice. In these circumstances, the following Local Rule is recommended:

“(Specify area) a ball may be lifted, cleaned and replaced without penalty. Note: The position of the ball must be marked before it is lifted under this Local Rule – see Rule 20-1.

Penalty for breach of Local Rule:
Match play – Loss of hole; Stroke play – Two strokes.”

b. “Preferred Lies” and “Winter Rules”

Ground under repair is provided for in Rule 25 and occasional local abnormal conditions that might interfere with fair play and are not widespread should be defined as ground under repair.

However, adverse conditions, such as heavy snows, spring thaws, prolonged rains or extreme heat can make fairways unsatisfactory and sometimes prevent use of heavy mowing equipment. When such conditions are so general throughout a course that the Committee believes “preferred lies” or “winter rules” would promote fair play or help protect the course, the following Local Rule is recommended:

“A ball lying on a closely-mown area through the green [or specify a more restricted area, e.g. at the 6th hole] may be lifted without penalty and cleaned. Before lifting the ball, the player must mark its position. Having lifted the ball, he must place it on a spot within [specify area, e.g. six inches, one club-length, etc.] of and not nearer the hole than where it originally lay, that is not in a hazard and not on a putting green.

A player may place his ball only once, and it is in play when it has been placed (Rule 20-4). If the ball fails to come to rest on the spot on which it is placed, Rule 20-3d applies. If the ball when placed comes to rest on the spot on which it is placed and it subsequently moves, there is no penalty and the ball must be played as it lies, unless the provisions of any other Rule apply.

If the player fails to mark the position of the ball before lifting it or moves the ball in any other manner, such as rolling it with a club, he incurs a penalty of one stroke.

Penalty for breach of Local Rule
Match play – Loss of hole; Stroke play – Two strokes

*If a player incurs the general penalty for a breach of this Local Rule, no additional penalty under the Local Rule is applied.”
c. Aeration Holes

When a course has been aerated, a Local Rule permitting relief, without penalty, from an aeration hole may be warranted. The following Local Rule is recommended:

“Through the green, a ball that comes to rest in or on an aeration hole may be lifted without penalty, cleaned and dropped, as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

On the putting green, a ball that comes to rest in or on an aeration hole may be placed at the nearest spot not nearer the hole that avoids the situation.

PENALTY FOR BREACH OF LOCAL RULE:
Match play – Loss of hole; Stroke play – Two strokes.”

4. Stones in Bunkers

Stones are, by definition, loose impediments and, when a player’s ball is in a hazard, a stone lying in or touching the hazard may not be touched or moved (Rule 13-4). However, stones in bunkers may represent a danger to players (a player could be injured by a stone struck by the player’s club in an attempt to play the ball) and they may interfere with the proper playing of the game.

When permission to lift a stone in a bunker would be warranted, the following Local Rule is recommended:

“Stones in bunkers are movable obstructions (Rule 24-1 applies).”

5. Immovable Obstructions Close to Putting Green

Rule 24-2 provides relief without penalty from interference by an immovable obstruction, but it also provides that, except on the putting green, intervention on the line of play is not, of itself, interference under this Rule.

However, on some courses, the aprons of the putting greens are so closely mown that players may wish to putt from just off the green. In such conditions, immovable obstructions on the apron may interfere with the proper playing of the game and the introduction of the following Local Rule providing additional relief without penalty from intervention by an immovable obstruction would be warranted:

“Relief from interference by an immovable obstruction may be obtained under Rule 24-2. In addition, if a ball lies off the putting green but not in a hazard and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows:

The ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green. The ball may be cleaned when lifted.

Relief under this Local Rule is also available if the player’s ball lies on the putting green and an immovable obstruction within two club-lengths of the putting green intervenes on his line of putt. The player may take relief as follows:

The ball must be lifted and placed at the nearest point where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard. The ball may be cleaned when lifted.

PENALTY FOR BREACH OF LOCAL RULE:
Match play – Loss of hole; Stroke play – Two strokes.”

6. Temporary Obstructions

When temporary obstructions are installed on or adjoining the course, the Committee should define the status of such obstructions as movable, immovable or temporary immovable obstructions.
a. Temporary Immovable Obstructions

If the Committee defines such obstructions as temporary immovable obstructions, the following Local Rule is recommended:

“I. Definition

A temporary immovable obstruction is a non-permanent artificial object that is often erected in conjunction with a competition and is fixed or not readily movable.

Examples of temporary immovable obstructions include, but are not limited to, tents, scoreboards, grandstands, television towers and lavatories.

Supporting guy wires are part of the temporary immovable obstruction unless the Committee declares that they are to be treated as elevated power lines or cables.

II. Interference

Interference by a temporary immovable obstruction occurs when (a) the ball lies in front of and so close to the obstruction that the obstruction interferes with the player’s stance or the area of his intended swing, or (b) the ball lies in, on, under or behind the obstruction so that any part of the obstruction intervenes directly between the player’s ball and the hole; interference also exists if the ball lies within one club-length of a spot equidistant from the hole where such intervention would exist.

Note: A ball is under a temporary immovable obstruction when it is below the outer most edges of the obstruction, even if these edges do not extend downwards to the ground.

III. Relief

A player may obtain relief from interference by a temporary immovable obstruction, including a temporary immovable obstruction that is out of bounds, as follows:

(a) Through the Green: If the ball lies through the green, the point on the course nearest to where the ball lies must be determined that (a) is not nearer the hole, (b) avoids interference as defined in Clause II and (c) is not in a hazard or on a putting green. The player must lift the ball and drop it without penalty within one club-length of the point so determined on a part of the course that fulfills (a), (b) and (c) above.

(b) In a Hazard: If the ball is in a hazard, the player must lift and drop the ball either:

(i) Without penalty, in accordance with Clause IIIa above, except that the nearest part of the course affording complete relief must be in the hazard and the ball must be dropped in the hazard or, if complete relief is impossible, on a part of the course within the hazard that affords maximum available relief; or

(ii) Under penalty of one stroke, outside the hazard as follows: the point on the course nearest to where the ball lies must be determined that (a) is not nearer the hole, (b) avoids interference as defined in Clause II and (c) is not in a hazard. The player must drop the ball within one club-length of the point so determined on a part of the course that fulfills (a), (b) and (c) above.

The ball may be cleaned when lifted under Clause III.

Note 1: If the ball lies in a hazard, nothing in this Local Rule precludes the player from proceeding under Rule 26 or Rule 28, if applicable.

Note 2: If a ball to be dropped under this Local Rule is not immediately recoverable, another ball may be substituted.

Note 3: A Committee may make a Local Rule (a) permitting or requiring a player to use a dropping zone or ball drop when taking relief from a temporary immovable obstruction or (b) permitting a player, as an additional relief option, to drop the ball on the opposite side of the obstruction from the point...
established under Clause III, but otherwise in accordance with Clause III.

Exceptions: If a player’s ball lies in front of or behind the temporary immovable obstruction (not in, on or under the obstruction) he may not obtain relief under Clause III if:

1. It is clearly unreasonable for him to make a stroke or, in the case of intervention, to make a stroke such that the ball could finish on a direct line to the hole, because of interference by anything other than the temporary immovable obstruction;
2. Interference by the temporary immovable obstruction would occur only through use of an unnecessarily abnormal stance, swing or direction of play; or
3. In the case of intervention, it would be clearly unreasonable to expect the player to be able to strike the ball far enough towards the hole to reach the temporary immovable obstruction.

Note: A player not entitled to relief due to these exceptions may proceed under Rule 24-2, if applicable.

IV. Ball Lost
If there is reasonable evidence that the ball is lost in, on or under a temporary immovable obstruction, a ball may be dropped under the provisions of Clause III or Clause V, if applicable. For the purpose of applying Clauses III and V, the ball is deemed to lie at the spot where it last crossed the outermost limits of the obstruction (Rule 24-3).

V. Dropping Zones (Ball Drops)
If the player has interference from a temporary immovable obstruction, the Committee may permit or require the use of a dropping zone or ball drop. If the player uses a dropping zone in taking relief, he must drop the ball in the dropping zone nearest to where his ball originally lay or is deemed to lie under Clause IV (even though the nearest dropping zone may be nearer the hole).

Note 1: A Committee may make a Local Rule prohibiting the use of a dropping zone or ball drop that is nearer the hole.

Note 2: If the ball is dropped in a dropping zone, the ball must not be re-dropped if it comes to rest within two club-lengths of the spot where it first struck a part of the course even though it may come to rest nearer the hole or outside the boundaries of the dropping zone.

PENALTY FOR BREACH OF LOCAL RULE:
Match play – Loss of hole; Stroke play – Two strokes.”

b. Temporary Power Lines and Cables
When temporary power lines, cables, or telephone lines are installed on the course, the following Local Rule is recommended:

“Temporary power lines, cables, telephone lines and mats covering or stanchions supporting them are obstructions:

1. If they are readily movable, Rule 24-1 applies.
2. If they are fixed or not readily movable, the player may, if the ball lies through the green or in a bunker, obtain relief as provided in Rule 24-2b. If the ball lies in a water hazard, the player may lift and drop the ball in accordance with Rule 24-2b(i) except that the nearest point of relief must be in the water hazard and the ball must be dropped in the water hazard or the player may proceed under Rule 26.
3. If a ball strikes an elevated power line or cable, the stroke must be cancelled and replayed, without penalty (see Rule 20-5). If the ball is not immediately recoverable another ball may be substituted.

Note: Guy wires supporting a temporary immovable obstruction are part of the temporary immovable obstruction unless the Committee, by Local Rule, declares that they are to be treated as elevated power lines or cables.

Exception: Ball striking elevated junction section of cable rising from the ground must not be replayed.
Part C Conditions of the Competition

Rule 33-1 provides, “The Committee must establish the conditions under which a competition is to be played.” The conditions should include many matters such as method of entry, eligibility, number of rounds to be played, etc. which it is not appropriate to deal with in the Rules of Golf or this Appendix. Detailed information regarding these conditions is provided in “Decisions on the Rules of Golf” under Rule 33-1 and in “Guidance on Running a Competition”.

However, there are a number of matters that might be covered in the Conditions of the Competition to which the Committee’s attention is specifically drawn. These are:

1. Specification of the Ball (Note to Rule 5-1)
The following two conditions are recommended only for competitions involving expert players:

   a. List of Conforming Golf Balls
   The R&A periodically issues a List of Conforming Golf Balls which lists balls that have been tested and found to conform. If the Committee wishes to require players to play a brand of golf ball on the List, the List should be posted and the following condition of competition used:
   “The ball the player plays must be named on the current List of Conforming Golf Balls issued by the R&A.

   PENALTY FOR BREACH OF CONDITION:
   Disqualification.”

   b. One Ball Condition
   If it is desired to prohibit changing brands and types of golf balls during a stipulated round, the following condition is recommended:
   “Limitation on Balls Used During Round: (Note to Rule 5-1)
   (i) “One Ball” Condition
   During a stipulated round, the balls a player plays must be of the same brand and type as detailed by a single entry on the current List of Conforming Golf Balls.
   Note: If a ball of a different brand and/or type is dropped or placed it may be lifted, without penalty, and the player must then proceed by dropping or placing a proper ball (Rule 20-6).

   PENALTY FOR BREACH OF CONDITION:
   Match Play – At the conclusion of the hole at which the breach is discovered, the state of the match must be adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round: Two holes.
   Stroke Play – Two strokes for each hole at which any breach occurred; maximum penalty per round: Four strokes.

   (ii) Procedure When Breach Discovered
   When a player discovers that he has played a ball in breach of this condition, he must abandon that ball before playing from the next teeing ground and complete the round with a proper ball; otherwise, the player is disqualified. If discovery is made during play of a hole and the player elects to substitute a proper ball before completing that hole, the player must place a proper ball on the spot where the ball played in breach of the condition lay.”

2. Time of Starting (Note to Rule 6-3a)
If the Committee wishes to act in accordance with the Note, the following wording is recommended:
   “If the player arrives at his starting point, ready to play, within five minutes after his starting time, in the absence of circumstances that warrant waiving the penalty of
disqualification as provided in Rule 33-7, the penalty for failure to start on time is loss of the first hole to be played in match play or two strokes in stroke play. Penalty for lateness beyond five minutes is disqualification.”

3. Caddie (Note to Rule 6-4)

Rule 6-4 permits a player to use a caddie provided he has only one caddie at any one time. However, there may be circumstances where a Committee may wish to ban caddies or restrict a player in his choice of caddie, e.g. professional golfer, sibling, parent, another player in the competition, etc. In such cases, the following wording is recommended:

Use of Caddie Prohibited

“A player is prohibited from using a caddie during the stipulated round.”

Restriction on Who May Serve as Caddie

“A player is prohibited from having ___________ serve as his caddie during the stipulated round.”

PENALTY FOR BREACH OF CONDITION:

Match play – At the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round – Two holes.

Stroke play – Two strokes for each hole at which any breach occurred; maximum penalty per round – Four strokes.

Match or stroke play – In the event of a breach between the play of two holes, the penalty applies to the next hole. A player having a caddie in breach of this condition must immediately upon discovery that a breach has occurred ensure that he conforms with this condition for the remainder of the stipulated round. Otherwise, the player is disqualified.

4. Pace of Play (Note 2 to Rule 6-7)

The Committee may establish pace of play guidelines to help prevent slow play, in accordance with Note 2 to Rule 6-7.

5. Suspension of Play Due to a Dangerous Situation (Note to Rule 6-8b)

As there have been many deaths and injuries from lightning on golf courses, all clubs and sponsors of golf competitions are urged to take precautions for the protection of persons against lightning. Attention is called to Rules 6-8 and 33-2d. If the Committee desires to adopt the condition in the Note under Rule 6-8b, the following wording is recommended:

“When play is suspended by the Committee for a dangerous situation, if the players in a match or group are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, they must discontinue play immediately and not resume play until the Committee has ordered a resumption of play. If a player fails to discontinue play immediately, he is disqualified unless circumstances warrant waiving the penalty as provided in Rule 33-7.

The signal for suspending play due to a dangerous situation will be a prolonged note of the siren.”

The following signals are generally used and it is recommended that all Committees do similarly:

Discontinue Play Immediately: One prolonged note of siren
Discontinue Play: Three consecutive notes of siren, repeated
Resume Play: Two short notes of siren, repeated

6. Practice

a. General

The Committee may make regulations governing practice in accordance with the Note to Rule 7-1, Exception (c) to Rule 7-2, Note 2 to Rule 7 and Rule 33-2c.
b. Practice Between Holes (Note 2 to Rule 7)
It is recommended that a condition of competition prohibiting practice putting or chipping on or near the putting green of the hole last played be introduced only in stroke play competitions. The following wording is recommended:
“A player must not play any practice stroke on or near the putting green of the hole last played. If a practice stroke is played on or near the putting green of the hole last played, the player incurs a penalty of two strokes at the next hole, except that in the case of the last hole of the round, he incurs the penalty at that hole.”

7. Advice in Team Competitions (Note to Rule 8)
If the Committee wishes to act in accordance with the Note under Rule 8, the following wording is recommended:
“In accordance with the Note to Rule 8 of the Rules of Golf, each team may appoint one person (in addition to the persons from whom advice may be asked under that Rule) who may give advice to members of that team. Such person (if it is desired to insert any restriction on who may be nominated insert such restriction here) must be identified to the Committee before giving advice.”

8. New Holes (Note to Rule 33-2b)
The Committee may provide, in accordance with the Note to Rule 33-2b, that the holes and teeing grounds for a single round competition, being held on more than one day, may be differently situated on each day.

9. Transportation
If it is desired to require players to walk in a competition, the following condition is recommended:
“Players must walk at all times during a stipulated round.

PENALTY FOR BREACH OF CONDITION:
Match play – At the conclusion of the hole at which the breach is discovered, the state of the match must be adjusted by deducting one hole for each hole at which a breach occurred. Maximum deduction per round: Two holes.
Stroke play – Two strokes for each hole at which any breach occurred; maximum penalty per round: Four strokes. In the event of a breach between the play of two holes, the penalty applies to the next hole.

Match or stroke play – Use of any unauthorised form of transportation must be discontinued immediately upon discovery that a breach has occurred. Otherwise, the player is disqualified.”

10. Anti-Doping
The Committee may require, in the Conditions of Competition, that players comply with an anti-doping policy.

11. How to Decide Ties
Rule 33-6 empowers the Committee to determine how and when a halved match or a stroke play tie is decided. The decision should be published in advance.

The R&A recommends:

Match Play
A match which ends all square should be played off hole by hole until one side wins a hole. The play-off should start on the hole where the match began. In a handicap match, handicap strokes should be allowed as in the prescribed round.

Stroke Play
(a) In the event of a tie in a scratch stroke play competition, a play-off is recommended. Such a play-off may be over 18 holes or a smaller number of holes as specified by the Committee. If that is not feasible or there is still a tie, a hole-by-hole play-off is recommended.
In the event of a tie in a handicap stroke play competition, a play-off with handicaps is recommended. Such a play-off may be over 18 holes or a smaller number of holes as specified by the Committee. If the play-off is less than 18 holes the percentage of 18 holes to be played should be applied to the players’ handicaps to determine their play-off handicaps. Handicap stroke fractions of one-half stroke or more should count as a full stroke and any lesser fraction should be disregarded.

In either a scratch or handicap stroke play competition, if a play-off of any type is not feasible, matching score cards is recommended. The method of matching cards should be announced in advance. An acceptable method of matching cards is to determine the winner on the basis of the best score for the last nine holes. If the tying players have the same score for the last nine, determine the winner on the basis of the last six holes, last three holes and finally the 18th hole. If this method is used in a handicap stroke play competition, one-half, one-third, one-sixth, etc. of the handicaps should be deducted. Fractions should not be disregarded. If this method is used in a competition with a multiple tee start, it is recommended that the “last nine holes, last six holes, etc.” is considered to be holes 10-18, 13-18, etc.

If the conditions of the competition provide that ties are to be decided over the last nine, last six, last three and last hole, they should also provide what will happen if this procedure does not produce a winner.

**12. Draw for Match Play**

Although the draw for match play may be completely blind or certain players may be distributed through different quarters or eighths, the General Numerical Draw is recommended if matches are determined by a qualifying round.

**General Numerical Draw**

For purposes of determining places in the draw, ties in qualifying rounds other than those for the last qualifying place are decided by the order in which scores are returned, with the first score to be returned receiving the lowest available number, etc. If it is impossible to determine the order in which scores are returned, ties are determined by a blind draw.

Any design in a club or ball which is not covered by Rules 4 and 5 and Appendices II and III, or which might significantly change the nature of the game, will be ruled on by the R&A.

The dimensions contained in Appendices II and III are referenced in imperial measurements. A metric conversion is also referenced for information, calculated using a conversion rate of 1 inch = 25.4 mm. In the event of any dispute over the conformity of a club or ball, the imperial measurement takes precedence.

A player in doubt as to the conformity of a club should consult the R&A. A manufacturer should submit to the R&A a sample of a club, which is to be manufactured for a ruling as to whether the club conforms with the Rules. If a manufacturer fails to submit a sample or to await a ruling before manufacturing and/or marketing the club, the manufacturer assumes the risk of a ruling that the club does not conform with the Rules. Any sample submitted to the R&A becomes its property for reference purposes.

The following paragraphs prescribe general regulations for the design of clubs, together with specifications and interpretations. Further information relating to these regulations and their proper interpretation is provided in “A Guide to the Rules on Clubs and Balls”.

Where a club, or part of a club, is required to have some specific property, this means that it must be designed and manufactured with the intention of having that property. The finished club or part must have that property within manufacturing tolerances appropriate to the material used.

1. Clubs
   a. General
   A club is an implement designed to be used for striking the ball and generally comes in three forms: woods, irons and putters distinguished by shape and intended use. A putter is a club with a loft not exceeding ten degrees designed primarily for use on the putting green.

   The club must not be substantially different from the traditional and customary form and make. The club must be composed of a shaft and a head. All parts of the club must be fixed so that the club is one unit, and it must have no external attachments except as otherwise permitted by the Rules.

   b. Adjustability
   Woods and irons must not be designed to be adjustable except for weight. Putters may be designed to be adjustable for weight and some other forms of adjustability are also permitted. All methods of adjustment permitted by the Rules require that:
   (i) the adjustment cannot be readily made;
   (ii) all adjustable parts are firmly fixed and there is no reasonable likelihood of them working loose during a round; and
   (iii) all configurations of adjustment conform with the Rules.
   The disqualification penalty for purposely changing the playing characteristics of a club during a stipulated round (Rule 4-2a) applies to all clubs including a putter.
c. **Length**

The overall length of the club must be at least 18 inches (457.2 mm) and, except for putters, must not exceed 48 inches (1,219.2 mm). For woods and irons, the measurement of length is taken when the club is lying on a horizontal plane and the sole is set against a 60 degree plane as shown in Fig. I. The length is defined as the distance from the point of the intersection between the two planes to the top of the grip. For putters, the measurement of length is taken from the top of the grip along the axis of the shaft or a straight line extension of it to the sole of the club.

**Note:** Clubs in breach of the maximum length limit as specified in Appendix II, 1c, which were in use or marketed prior to 1st January 2004 and which otherwise conform to the **Rules**, may be used until 31st December 2004.

d. **Alignment**

When the club is in its normal address position the shaft must be so aligned that:

(i) the projection of the straight part of the shaft on to the vertical plane through the toe and heel must diverge from the vertical by at least 10 degrees (see Fig. II);

(ii) the projection of the straight part of the shaft on to the vertical plane along the intended line of play must not diverge from the vertical by more than 20 degrees forwards or 10 degrees backwards (see Fig. III).

Except for putters, all of the heel portion of the club must lie within 0.625 inches (15.88 mm) of the plane containing the axis of the straight part of the shaft and the intended (horizontal) line of play (see Fig. IV).
2. Shaft

a. Straightness
The shaft must be straight from the top of the grip to a point not more than 5 inches (127 mm) above the sole, measured from the point where the shaft ceases to be straight along the axis of the bent part of the shaft and the neck and/or socket (see Fig. V).

b. Bending and Twisting Properties
At any point along its length, the shaft must:
(i) bend in such a way that the deflection is the same regardless of how the shaft is rotated about its longitudinal axis; and
(ii) twist the same amount in both directions.

c. Attachment to Clubhead
The shaft must be attached to the clubhead at the heel either directly or through a single plain neck and/or socket. The length from the top of the neck and/or socket to the sole of the club must not exceed 5 inches (127 mm), measured along the axis of, and following any bend in, the neck and/or socket (see Fig. VI).

Exception for Putters: The shaft or neck or socket of a putter may be fixed at any point in the head.

3. Grip (see Fig. VII)
The grip consists of material added to the shaft to enable the player to obtain a firm hold. The grip must be straight and plain in form, must extend to the end of the shaft and must not be moulded for any part of the hands. If no material is added, that portion of the shaft designed to be held by the player must be considered the grip.

(i) For clubs other than putters the grip must be circular in cross-section, except that a continuous, straight, slightly raised rib may be incorporated along the full length of the grip, and a slightly indented spiral is permitted on a wrapped grip or a replica of one.

(ii) A putter grip may have a non-circular cross-section, provided the cross-section has no concavity, is symmetrical and remains generally similar throughout the length of the grip. (See Clause (v) overleaf).
(iii) The grip may be tapered but must not have any bulge or waist. Its cross-sectional dimensions measured in any direction must not exceed 1.75 inches (44.45 mm).
(iv) For clubs other than putters the axis of the grip must coincide with the axis of the shaft.
(v) A putter may have two grips provided each is circular in cross-section, the axis of each coincides with the axis of the shaft, and they are separated by at least 1.5 inches (38.1 mm).

4. Clubhead
a. Plain in Shape
The clubhead must be generally plain in shape. All parts must be rigid, structural in nature and functional. It is not practicable to define plain in shape precisely and comprehensively but features which are deemed to be in breach of this requirement and are therefore not permitted include:
(i) holes through the head,
(ii) transparent material added for other than decorative or structural purposes,
(iii) appendages to the main body of the head such as knobs, plates, rods or fins,
for the purpose of meeting dimensional specifications, for aiming or for any other purpose. Exceptions may be made for putters.
Any furrows in or runners on the sole must not extend into the face.

b. Dimensions and Size
(i) Woods
When the club is in a 60 degree lie angle, the dimensions of the clubhead must be such that:
(a) the distance from the heel to the toe of the clubhead is greater than the distance from the face to the back;
(b) the distance from the heel to the toe of the clubhead is not greater than 5 inches (127 mm); and
(c) the distance from the sole to the crown of the clubhead is not greater than 2.8 inches (71.12 mm).
These dimensions are measured on horizontal lines between vertical projections of the outermost points of:
• the heel and the toe; and
• the face and the back (see Fig. VIII, dimension A);
and on vertical lines between the horizontal projections of the outermost points of the sole and the crown (see Fig. VIII, dimension B). If the outermost point of the heel is not clearly defined, it is deemed to be 0.875 inches (22.23 mm) above the horizontal plane on which the club is lying (see Fig. VIII, dimension C).

The size of the clubhead must not exceed 28.06 cubic inches (460 cubic centimetres), plus a tolerance of 0.61 cubic inches (10 cubic centimetres).
Note: Clubs in breach of the maximum size limit as specified in Appendix II, 4b (i), which were in use or marketed prior to 1st January 2004 and which otherwise conform to the Rules, may be used until 31st December 2004.
(ii) Irons and Putter
When the clubhead is in its normal address position the
dimensions of the head must be such that the distance from the
heel to the toe is greater than the distance from the face to the
back. For traditionally shaped heads, these dimensions will be
measured on horizontal lines between vertical projections of
the outermost points of:

- the heel and the toe; and
- the face and the back.

For unusually shaped heads, the toe to heel dimension may be
made at the face.

c. Striking Faces

The clubhead must have only one striking face, except that a
putter may have two such faces if their characteristics are the
same, and they are opposite each other.

5. Club Face

a. General

The material and construction of, or any treatment to, the face
or clubhead must not have the effect at impact of a spring (test on file), or impart significantly more or less spin to the ball
than a standard steel face, or have any other effect which
would unduly influence the movement of the ball.

The face of the club must be

hard and rigid (some exception

may be made for putters) and,

except for such markings listed

below, must be smooth and

must not have any degree of

concavity.

b. Impact Area Roughness and

Material

Except for markings specified in

the following paragraphs, the

surface roughness within the area where impact is intended

(the “impact area”) must not exceed that of decorative

sandblasting, or of fine milling (see Fig. IX).

The whole of the impact area must be of the same

material. Exceptions may be made for wooden clubs.

c. Impact Area Markings

Markings in the impact area must not have sharp edges or

raised lips as determined by a finger test. Grooves or punch

marks in the impact area must meet the following

specifications:

(i) Grooves. A series of straight grooves with diverging sides

and a symmetrical cross-section may be used (see Fig. X).

- The width and cross-section must be consistent across

  the face of the club and along the length of

  the grooves.

- Any rounding of groove edges must be in the form

  of a radius which does not exceed 0.020 inches

  (0.508 mm).

- The width of the grooves must not exceed 0.035

  inches (0.9 mm), using the 30 degree method of

  measurement on file with the R&A.

- The distance between edges of adjacent grooves must

  not be less than three times the width of a groove, and

  not less than 0.075 inches (1.905 mm).

- The depth of a groove must not exceed 0.020 inches

  (0.508 mm).

(ii) Punch Marks. Punch marks may be used.

- The area of any such mark must not exceed 0.0044

  square inches (2.84 sq. mm).

- A mark must not be closer to an adjacent mark than

  0.168 inches (4.27 mm) measured from centre
to centre.

- The depth of a punch mark must not exceed 0.040

  inches (1.02 mm).
d. Decorative Markings
The centre of the impact area may be indicated by a design within the boundary of a square whose sides are 0.375 inches (9.53 mm) in length. Such a design must not unduly influence the movement of the ball. Decorative markings are permitted outside the impact area.

e. Non-Metallic Club Face Markings
The above specifications apply to clubs on which the impact area of the face is of metal or a material of similar hardness. They do not apply to clubs with faces made of other materials and whose loft angle is 24 degrees or less, but markings which could unduly influence the movement of the ball are prohibited. Clubs with this type of face and a loft angle exceeding 24 degrees may have grooves of maximum width 0.040 inches (1.02 mm) and maximum depth 1\(\frac{1}{2}\) times the groove width, but must otherwise conform to the markings specifications above.

f. Putter Face Markings
The specifications above with regard to roughness, material and markings in the impact area do not apply to putters.

APPENDIX III – THE BALL

1. Weight
The weight of the ball must not be greater than 1.620 ounces avoirdupois (45.93 gm).

2. Size
The diameter of the ball must not be less than 1.680 inches (42.67 mm). This specification will be satisfied if, under its own weight, a ball falls through a 1.680 inches diameter ring gauge in fewer than 25 out of 100 randomly selected positions, the test being carried out at a temperature of 23 ± 1°C.

3. Spherical Symmetry
The ball must not be designed, manufactured or intentionally modified to have properties which differ from those of a spherically symmetrical ball.

4. Initial Velocity
The initial velocity of the ball must not exceed the limit specified (test on file) when measured on apparatus approved by the R&A.

5. Overall Distance Standard
The combined carry and roll of the ball, when tested on apparatus approved by the R&A, must not exceed the distance specified under the conditions set forth in the Overall Distance Standard for golf balls on file with the R&A.

HANDICAPS

The Rules of Golf do not legislate for the allocation and adjustment of handicaps. Such matters are within the jurisdiction of the National Union concerned and queries should be directed accordingly.
RULES OF AMATEUR STATUS

as approved by
R&A Rules Limited

Effective from 1st January 2004

Preamble
The R&A reserves the right to change the Rules and to make and change the interpretations relating to Amateur Status at any time.

In the Rules of Amateur Status, the gender used in relation to any person is understood to include both genders.

DEFINITIONS
The Definitions are listed alphabetically and, in the Rules themselves, defined terms are in italics.

Amateur Golfer
An “Amateur Golfer” is one who plays the game as a non-remunerative and non-profit making sport and who does not receive remuneration for teaching golf or for other activities because of golf skill or reputation, except as provided in the Rules.

Committee
The “Committee” is the appropriate Committee of the Governing Body.

Golf Skill or Reputation
Generally, an Amateur golfer is only considered to have golf skill if he has gained representative honours at county or national level. Golf reputation can only be gained through golf skill and does not include prominence for service to the game of golf as an administrator. It is a matter for a Governing Body to decide whether a particular Amateur golfer has “golf skill or reputation”.

Governing Body
The “Governing Body” for the Rules of Amateur Status in any country is the national union of that country.

Note: In Great Britain and Ireland, the R&A is the Governing Body.

Instruction
“Instruction” covers teaching the physical aspects of playing golf i.e. the actual mechanics of swinging a golf club and hitting a golf ball.

Junior Golfer
A “junior golfer” is an Amateur golfer who has not reached his 18th birthday in the year prior to the event, unless a different age is decided by the Governing Body.

Prize Voucher
A “prize voucher” is a voucher issued by the Committee in charge of a competition for the purchase of goods from a Professional’s shop or other retail source.

R&A
The “R&A” means R&A Rules Limited.

Retail Value
The “retail value” of a prize is the normal recommended selling price at which merchandise is available to anyone at a retail source.

Rule or Rules
The term “Rule” or “Rules” refers to the Rules of Amateur Status as determined by the Governing Body.

Symbolic Prize
A “symbolic prize” is a trophy made of gold, silver, ceramic, glass or the like which is permanently and distinctively engraved.
A “testimonial award” relates to notable performances or contributions to golf as distinguished from competition prizes. A testimonial award may not be a monetary award.

1-1. General
An Amateur golfer must play the game and conduct himself in accordance with the Rules.

1-2. Amateur Status
Amateur Status is a universal condition of eligibility for playing in golf competitions as an Amateur golfer. A person who acts contrary to the Rules may forfeit his status as an Amateur golfer and as a result will be ineligible to play in Amateur competitions.

1-3. Purpose and Spirit of the Rules
The purpose and spirit of the Rules is to maintain the distinction between Amateur golf and Professional golf and keep the Amateur game as free as possible from the abuses which may follow from uncontrolled sponsorship and financial incentive. It is considered necessary to safeguard Amateur golf, which is largely self-regulating with regard to the Rules of play and handicapping, so that it may be fully enjoyed by all Amateur golfers.

1-4. Doubt as to Rules
Any person who wishes to be an Amateur golfer and who is in doubt as to whether taking a proposed course of action is permitted under the Rules should consult the Governing Body.

Any organiser or sponsor of an Amateur golf competition or a competition involving Amateur golfers, who is in doubt as to whether a proposal is in accordance with the Rules should consult the Governing Body.

2-1. General
An Amateur golfer must not take any action for the purpose of becoming a Professional golfer, including entering into an agreement, written or oral, with a sponsor or Professional agent.

Exception: Applying unsuccessfully for the position of an Assistant Professional.

Note: An Amateur golfer may enquire as to his likely prospects as a Professional and he may work in a Professional’s shop and receive a salary, provided he does not infringe the Rules in any other way.

2-2. Professional Golfers’ Associations
An Amateur golfer must not hold or retain membership of any Professional Golfers’ Association.

Note: An Amateur golfer may enquire as to his likely prospects as a Professional and he may work in a Professional’s shop and receive a salary, provided he does not infringe the Rules in any other way.

2-3. Professional Tournament Players
An Amateur golfer must not hold or retain membership of a Professional Tour.

Note: If an Amateur golfer must compete in one or more
qualifying competitions in order to be eligible for membership of a Professional Tour, he may enter and play in such qualifying competitions without forfeiting his Amateur Status, provided, in advance of play and in writing, he waives his right to any prize money in the competition.

Definitions
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 154-156.

3-1. Playing for Prize Money
An Amateur golfer must not play golf for prize money.

3-2. Prize Limits
a. General
An Amateur golfer must not accept a prize (other than a symbolic prize) or prize voucher of retail value in excess of £500 or the equivalent, or such a lesser figure as may be decided by the Governing Body. This limit applies to the total prizes or prize vouchers received by an Amateur golfer in any one competition or series of competitions, excluding any hole-in-one prize.

b. Hole-in-One Prizes
The limits prescribed in Rule 3-2a apply to a prize for a hole-in-one. However, such a prize may be accepted in addition to any other prize won in the same competition.

c. Exchanging Prizes
An Amateur golfer must not exchange a prize or prize voucher for cash.

Exception: An Amateur golfer may submit a prize voucher to a national or county union and thereafter be reimbursed from the value of that voucher for expenses incurred in participating in a golf competition, provided the reimbursement of such expenses is permitted under Rule 4-2.

Note 1: The onus of proving the retail value of a particular prize rests with the Committee in charge of the competition.

Note 2: It is recommended that the total prize value of scratch prizes, or each division of handicap prizes, should not exceed twice the prescribed limit in an 18-hole competition, three times in a 36-hole competition, five times in a 54-hole competition and six times in a 72-hole competition.

3-3. Testimonial Awards
a. General
An Amateur golfer must not accept a testimonial award of retail value in excess of the limits prescribed in Rule 3-2a.

b. Multiple Awards
An Amateur golfer may accept more than one testimonial award from different donors, even though their total retail value exceeds the prescribed limit, provided they are not presented so as to evade the limit for a single award.

Definitions
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 154-156.

4-1. General
Except as provided in the Rules, an Amateur golfer must not accept expenses, in money or otherwise, from any source to play in a golf competition or exhibition.
4.2. Receipt of Expenses

An *Amateur golfer* may receive expenses, not exceeding the actual expenses incurred, to play in a golf competition or exhibition as follows:

a. Family support
An *Amateur golfer* may receive expenses from a member of his family or a legal guardian.

b. Junior Golfers
A *junior golfer* may receive expenses when competing in a competition limited exclusively to *junior golfers*.

c. Team Events
(i) An *Amateur golfer*, who is representing his country, county or club (or similar body) in a team competition or at a training camp may receive expenses; and
(ii) An *Amateur golfer*, who is representing his country by taking part in a national championship abroad immediately before or after an international team competition may receive expenses.

The expenses must be paid by the body he represents or the body controlling golf in the country he is visiting.

d. Individual Events
An *Amateur golfer* may receive expenses when competing in individual events provided he complies with the following provisions:
(i) The player must be nominated to play in the competition by either his club, county or national union.
(ii) Where the competition is to take place in the player’s own country and the nomination has been made by a club or county union, the approval of the national union, or the county union in the area in which the competition is to be staged, must first be obtained.
(iii) Where the competition is to take place in another country, the approval of the national union of the country in which the competition is to be staged and, if the nominating body is not the national union of the country from which the nomination is made, the approval of the national union must first be obtained by the nominating body.
(iv) The expenses must be paid only by the national union or county union responsible in the area from which the nomination is made or, subject to the approval of the nominating body, by the body controlling golf in the territory he is visiting.
(v) The expenses must be limited to a specific number of competitive days in any one calendar year as may be determined by the *Governing Body* in the country from which the nomination is made. The expenses are deemed to include reasonable travelling time and practice days in connection with the competitive days.

e. Celebrities, Business Associates, etc.
An *Amateur golfer* who is invited to take part in a competition for reasons unrelated to *golf skill* may receive expenses.

f. Exhibitions
An *Amateur golfer* who is participating in an exhibition in aid of a recognised charity may receive expenses, provided that the exhibition is not run in connection with another golfing event.

g. Sponsored Handicap Competitions
An *Amateur golfer* may receive expenses when competing in a sponsored handicap competition, provided the competition has been approved as follows:
(i) Where the competition is to take place in the player’s own country, the annual approval of the *Governing Body* must first be obtained in advance by the sponsor; and
(ii) Where the competition is to take place in more than one
country or involves golfers from another country, the approval of the two or more Governing Bodies must first be obtained in advance by the sponsor. The application for this approval should be sent to the Governing Body in the country where the competition commences.

An Amateur golfer, who is an employee of an educational institution or system, may receive payment or compensation for golf instruction to students of the institution or system, provided that during a year the total time devoted to golf instruction comprises less than 50 percent of the time spent in the performance of all duties as such an employee.

b. Junior Golfers
An Amateur golfer may receive expenses, not exceeding the actual expenses incurred, for giving golf instruction to junior golfers as part of a programme which has been approved in advance by the Governing Body.

5-3. Instruction in Writing

Note: Instruction does not cover the many psychological aspects of the game or the Rules or Etiquette of Golf.

Note: An Amateur golfer may accept equipment from anyone dealing in such equipment provided no advertising is involved.

6-3. Personal Appearance

Exception: An Amateur golfer may receive actual expenses in connection with a personal appearance provided no golf competition or exhibition is involved.

**Rule 8**

**Procedure for Enforcement of the Rules**

**Definitions**

All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 154-156.

8-1. Decision on a Breach
If a possible breach of the **Rules** by a person claiming to be an **Amateur golfer** comes to the attention of the **Committee**, it is a matter for the **Committee** to decide whether a breach has occurred. Each case will be investigated to the extent deemed appropriate by the **Committee** and considered on its merits. The decision of the **Committee** shall be final, subject to an Appeal as provided in these **Rules**.

8-2. Enforcement
Upon a decision that a person has breached the **Rules**, the **Committee** may declare the Amateur Status of the person forfeited or require the person to refrain or desist from specified actions as a condition of retaining his Amateur Status. The **Committee** must use its best endeavours to ensure that the person is notified and may notify any interested golf union of any action taken under Rule 8-2.

8-3. Appeals Procedure
Each **Governing Body** should put in place a procedure whereby any decision in respect of enforcement of these **Rules** may be appealed by the person affected by such decision.

**Note:** If a person, whose **Governing Body** is the R&A, is affected by a decision made by the Amateur Status Committee of the R&A in respect of the enforcement of these **Rules**, that
person may raise an appeal of that decision with the Amateur Status Appeals Committee of the R&A.

**Definitions**
All defined terms are in *italics* and are listed alphabetically in the Definitions section – see pages 154-156.

9-1. General
The Committee has sole power to reinstate a person to Amateur Status or to deny reinstatement, subject to an Appeal as provided in these Rules. Each application for reinstatement shall be considered on its merits.

9-2. Applications for Reinstatement
In considering an application for reinstatement, the Committee shall normally be guided by the following principles:

a. Awaiting Reinstatement
The Professional is considered to hold an advantage over the Amateur golfer by reason of having devoted himself to the game as his profession; other persons infringing the Rules also obtain advantages not available to the Amateur golfer. They do not necessarily lose such advantages merely by deciding to cease infringing the Rules. Therefore, an applicant for reinstatement to Amateur Status must undergo a period awaiting reinstatement as prescribed by the Committee.

The period awaiting reinstatement starts from the date of the person’s last breach of the Rules unless the Committee decides that it starts from the date when the person’s last breach became known to the Committee.

b. Period Awaiting Reinstatement
(i) Professionalism
The period awaiting reinstatement is normally related to the period the person was in breach. However, no applicant is normally eligible for reinstatement until he has conducted himself in accordance with the Rules for a period of at least one year.

It is recommended that the following guidelines on periods awaiting reinstatement are applied by the Committee:

<table>
<thead>
<tr>
<th>Period of Breach</th>
<th>Period Awaiting Reinstatement:</th>
</tr>
</thead>
<tbody>
<tr>
<td>under 5 years</td>
<td>1 year</td>
</tr>
<tr>
<td>5 years or more</td>
<td>2 years</td>
</tr>
</tbody>
</table>

The Committee reserves the right to extend or to shorten such a period. Players of national prominence who have been in breach for more than five years are not normally eligible for reinstatement.

(ii) Other Breaches of the Rules
The period awaiting reinstatement is normally related to the seriousness of the breach i.e. the value of the excessive prize, the amount of unauthorised expenses received, etc. However, no applicant is normally eligible for reinstatement until he has conducted himself in accordance with the Rules for a period of at least one year. It is recommended that the Committee extends the period awaiting reinstatement as the seriousness of the breach increases, with a period of up to five years applied for the most serious cases.

The Committee reserves the right to extend or shorten such a period.

c. Number of Reinstatements
A person is not normally reinstated more than twice.

d. Status While Awaiting Reinstatement
During the period awaiting reinstatement an applicant for reinstatement must comply with these Rules as they apply to an Amateur golfer.

He is not eligible to enter competitions as an Amateur golfer. However, he may enter competitions and win a prize solely
among members of a Club of which he is a member, subject to the approval of the Club; but he may not represent such Club against other Clubs.

9-3. Procedure for Applications
Each application for reinstatement must be submitted to the Committee, in accordance with such procedures as may be laid down and it must include such information as the Committee may require.

9-4. Appeals Procedure
Each Governing Body should put in place a procedure whereby any decision in respect of reinstatement of Amateur Status may be appealed by the person affected by such decision.

Note: If a person, whose Governing Body is the R&A, is affected by a decision made by the Amateur Status Committee of the R&A in respect of reinstatement of Amateur Status, that person may raise an appeal of that decision with the Amateur Status Appeals Committee of the R&A.

Rule 10 Committee Decision

Definitions
All defined terms are in italics and are listed alphabetically in the Definitions section – see pages 154-156.

10-1. Committee's Decision
The Committee's decision is final, subject to an Appeal as provided in Rules 8-3 and 9-4.

10-2. Doubt as to Rules
If the Committee considers the case to be doubtful or not covered by the Rules, it may, prior to making its decision, consult with the Amateur Status Committee of the R&A.
